# Welcome to 100 Days of Summer!

Discover your backyard with our list of 100 fun activities you can do over the summer months in the district.

Kia ora

My hope is that the ideas here create some discussion with your family and friends that lead to memorable adventures this summer. I have lived in Selwyn for most of my life and have many fond memories of summers gone by and am excited by the opportunities of our summer to come.

As I was talking with others about their memories and creating this list I was reminded that there are still many new things for me to try this summer like climbing Avalanche Peak or kayaking on Te Waihora, while also revisiting my favourite swimming hole at the Waimakariri Gorge bridge.

Whether you're new to Selwyn or have lived here for some time, I hope this guide is a useful tool as you relive your favourite memories or explore and try something new this summer.

Keep an eye on our social channels for more ideas, videos and competitions.
