ROLLESTON COMMUNITY CENTRE NEWS

with David Pryor, Rolleston Community Centre Manager

If you haven't been down to the Rolleston Community Centre for a while you will be surprised at the variety of programmes on offer – sports, crafts, play groups, dance programmes for young and old – and loads of community groups using it as their base.

We still have room for more keen bodies in Creative Dance, Sit and Be Fit, Kids Basketball, Table Tennis and Badminton. Those attending are having a ball and getting fit at the same time. So why not come and join the fun?

Spectacular Braking Demo

Tennyson Street (near the reserve)
12.30-1.30pm, Friday 22 May

In the last five years, over 1,200 children have been killed or injured on our roads during school terms. Drivers going too fast near schools are the biggest danger, particularly at the start and end of the school day.

That's why we're inviting drivers, mums, dads, nanas and anyone in between, to come along to Tennyson Street, outside Rolleston Reserve, on Friday 22 May from 12.30pm to 1.30pm for a car braking demonstration that will really ram home the impact of even moderate speeding. See for yourself how far – and how fast – a car will keep travelling when the driver has braked.

And no, you don't have to skip lunch – or even pay for it. You'll get a free sausage sizzle (or the vegetarian special – tomato sauce on bread), and also a chance to enter competitions, win prizes and support your local school. Most of all though, you will learn about the effects of speeding and why it is so important to slow down near schools.

HOW MANY COUNCILLORS SHOULD WE HAVE?

The Selwyn Representation Review

Come to the public meetings:

Thursday 14 May, 7.30 pm
Lincoln Community Centre

Tuesday 19 May, 7.30 pm
Darfield Recreation Centre

Thursday 21 May, 8 pm
Rolleston Community Centre

Tuesday 26 May, 7.30 pm
Leeston Library Meeting Room

Rapid growth has created an imbalance between the population in some parts of Selwyn and the number of elected representatives (councillors and community board members).

To correct this, we would like your views on which of the following options would be best:

1. raising the number of councillors from 10 to 11, with no boundary changes to the 4 wards;
2. reducing the councillors from 10 to 6, with small changes to ward boundaries; or
3. reducing the councillors from 10 to 9 and merging two of the wards (Ellesmere and Springs) into a single "Waihora" ward.

We also need your views on community boards. Is the status quo fine (one board in Malvern Ward, one in Selwyn Central and none in Springs or Ellesmere) or do we need more boards - or fewer?

IF ONLY HE'D KNOWN

*In Darfield, a play-writing sage
Kept churning out page after page
Each day, a new play
But no way could he pay
To produce them and put them on stage*

If only he'd known about Creative NZ Arts Grants. The current funding round closes on **Friday 22 May**. So get your applications in now. Contact: **Stuart Westoby** at our Lincoln service centre on 347 2875 or 318 8338.

This will affect water races and offshoots from Bells Divide to Harewood and Christchurch, Kirks Rd to Prebbleton.

WHO IS HE?

Many Rolleston residents will recognise this fellow. He appears to be an American Staffordshire bull terrier who has been running around the reserve and other parts of Rolleston lately. If anyone has any information about him or his owner, our dog control staff would like to hear from you. Please phone **Tracey Wheeler** on 347 2910 or 318 8338.

ART AUCTION

Selwyn Gallery,
Darfield

Wed, 3 June, 7.30pm.

The Malvern Community Arts Council is hosting an art auction of contemporary works and preloved works by well-known artists, such as **Austen and Liz Deans**.

It will be combined with a wine and nibble evening at the Selwyn Gallery in Darfield.

If you have a painting whose value you would like to realise at the auction, please phone 03 318 8876.

The works to be auctioned will be on display at the gallery from **Friday 29 May**.

RESOURCE CONSENTS

Because of their possible environmental effects, many activities need a resource consent from the Council. You have the right to inspect the following consent application at any Council Service Centre during normal office hours and to make a submission supporting or opposing it.

Selwyn Central Ward

Between Allingham Lane and Masefield Drive, Rolleston

Adcroft Developments Ltd seeks:

(Application 085086) to subdivide three titles, zoned Living 1, into 23 residential lots with an average net area of 482 square metres; and

(Application 085087) to create a new road within 125 metres of an existing intersection.

The land is between Allingham Lane and Masefield Drive Rolleston on Lot 3 DP 73322 and Lots 72 & 73 DP 378763.

The applicant's address for service is C/- Connell Wagner Ltd, P.O. Box 1061 Christchurch 8140.

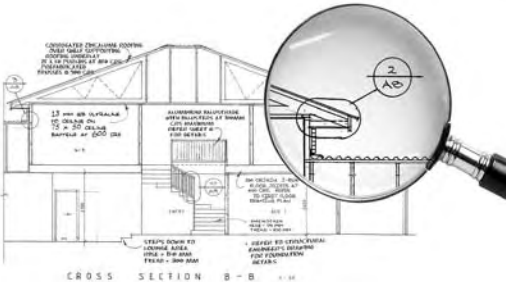

How to make a submission

If you wish to support or oppose a consent application you must get a written submission on Form 13 (or to the like effect) into any Council Service Centre by **Thursday 11 June 2009**, and promptly send a copy to the applicant's service address.

Your submission should be addressed to **Helen Allison, Planning Administrator**. It must be signed and dated by you, and must state:

- your name, postal address, phone or fax;
- the applicants' name, number and location;
- whether you support or oppose the application;
- your reasons;
- the decision you wish us to make;
- whether you wish to speak at a hearing.

(This notice is issued under Section 93(2) of the Resource Management Act 1991.)

CROSS SECTIONS – WHAT'S THE POINT?

Cross section drawings can help speed up your building consent by telling us how the work complies with the Building Code. Cross sections are cut-through views, which show key construction details.

But to be of use, they must be specific, showing the actual details of your project. Generic cross sections are of no help because they do not give these details.

The best place for a cross section is through any complex or difficult part of the building. It should show ground levels, wall heights, framing sizes, spacings, grading and treatment, roof and ceiling pitches, and the materials that you will use. It should also refer to other construction details, such as flashings, junctions or the like.

You can find out more on this at the Department of Building & Housing's website (www.dbh.govt.nz). Or you can call our Building Team on 347 2839 or 318 8338

READ ALL ABOUT IT!

Take a dash of Darfield library, a teaspoon of Malvern Hockey Club and a sprinkling of Darfield Rugby Club and you have the new display at the Darfield library! Check it out if you're in the area.

Our district libraries have a wonderful selection of books on all sorts of sporting and recreational activities. So, if you're interested in starting a new sport or exercise programme, the library is a great place to begin – and, no, I don't mean sprint training in the aisles or practising your rugby tackles.

From at-home yoga to the rules of rugby, you're sure to find a book or DVD to help get you and your family into a fun new activity!

Book now for these NZ Trade and Enterprise-funded seminars. The only cost is \$10 for a light meal.

DOG MICROCHIPPING

If your dog was first registered after **30 June 2006** and is not a working dog, the law requires him or her to be microchipped.

This free monthly service is available at the following Council service centres:

	Lincoln	Leeston	Rolleston	Darfield
Friday 22 May	9-10am	11-12noon	3-4pm	1-2pm

Please note:

- Rolleston microchipping is at our head office in Norman Kirk Drive (off Rolleston Drive).
- Microchipping will not take place if wet.
- Working dogs and dogs registered before 1 July 2006 can be microchipped for \$20 per dog.

If, because of distance or dog numbers, you can't get to a clinic, you may ask for an Animal Control Officer to carry out the microchipping at your place.

Contact **Tracey Wheeler** or **Eamonn Waters** on 347 2800 or 318 8338.

PREBBLETON – FUTURE OF THE TOWN

A Structure Plan Drop-in Evening

Prebbleton Community Hall,
Springs Road, Prebbleton

Wednesday 20 May

Any time between 6.30 and 8.30pm

In the past ten years, Prebbleton has grown rapidly, from under 800 people to more than 2,000. We estimate that it could reach 5,000 in three decades' time.

To help coordinate the new development and changes, we are preparing a growth management plan (the Prebbleton Structure Plan). The plan will say where and how growth should occur and will suggest design ideas for streets, waterways and subdivisions to ensure an attractive and well-designed town.

So come in for a chat, see what we are proposing, and tell us which aspects of Prebbleton are important to you.

Contact **Craig Friedel**, Policy Planner on 347 2827 or 318 8338
