What's YOUR circle planning?

Already, some Selwyn groups, schools and businesses are getting ready for next year's Earth Hour Week. It culminates in the symbolic "lights out" hour on the last Saturday of March (see www.earthhour.org).

 - "Torchlight Tour" Walks (Prebbleton, Rolleston)

 - Observatory Open Nights (West Melton)
 - Candlelit Dinners and gatherings (various places)

Anything else?

That's up to you. Why not organise an Earth Hour event in your area? It can be social, recreational, commercial or educational, as long as it happens in Earth Hour Week (19-26 March 2011).

Tell us about it at: earth@selwyn.govt.nz (347 2807 or 329 5858)

Selwyn Wheels & Heels

with Lee Wright

transport & road safety coordinator

That's the question we'll be asking **YOU** this festive season, on radio, on billboards and in newspapers.

Festive drinks are all very well, but please think really hard about how you will get home safely. If you're not keen on riding in a police car or ambulance or being cut out of your car by the Fire Service, then here's the good news – there are safe alternatives.

If you're drinking at your local and have had a few too many and can't get a sober friend or family member to drive you home, then **use the pub's courtesy van**. That's what it's there for.

This is the positive message that we are promoting this season, supporting the great job our Selwyn pubs do at being responsible hosts and offering their life-saving courtesy van service. Think about it – and use it.

LOST YOUR FAMILY PET OR SEEKING A NEW ONE?

Our policy states that all unclaimed impounded dogs must be held for 7 days before being re-homed.

So, if you are looking for a dog, check our website to see who's in the pound this week. Your missing best friend – or your next new one – might just be waiting for you.
