## Good bye from Lee

After six great years working for the Selwyn District Council and the Selwyn community as the Transport and Road Safety Co-ordinator, I'm leaving to work for the New Zealand Transport Agency.

Over the years I have worked with and met many fantastic members of the Selwyn community, I have very much appreciated the dedication to road safety, and in the last three years, sustainable transport. It will take all the community and stakeholders to reduce crashes on our Selwyn roads. Thank you to everyone I have worked with and met over the years.

In my new role I will continue to work towards reducing death and injury on Southern region roads and promoting walking and cycling.

I will miss the calls, e-mails, and chats at local A&P shows and when I'm out and about. I continue to live in Selwyn, so everyone keep up the great work.

And please, I'm not one to nag, but: Wear your seat belt, drive to the conditions, please slow down past schools and in urban environments, stop at the stop signs and don't drink and drive.

**And one of my biggest squeaky wheels – put your lights on in fog!!!**
