Selwyn District Council Draft Long Term Plan 2012-22

Full copies and summaries of the Selwyn District Council draft Long Term Plan 2012-22 are now available from our service centres and libraries. Guided by the outcomes (goals) set by the community the plan sets out:

- what the Council is trying to achieve for the district over the next 10 years
- the range of services that we provide
- the level of performance that residents can expect from us
- how much we estimate the services will cost
- how much we estimate ratepayers will need to pay.

Please have a read and if you have any comments to make on the proposals, or ideas about better ways of achieving the community outcomes, write them down and send them to us. Written submissions must reach us by 5 pm on Monday 7 May 2012.

Hearings will be held on 28 and 29 May. Please say in your submission whether or not you wish to come to a hearing and talk to the councillors about your submission. Following the hearings, the Council will discuss the ideas submitted and then make its final amendments to the plan, which will then be adopted and become operational on 1 July 2012.
