Hoskyns Road temporary closure

Hoskyns Road is going to be closed from Jones Road to Maddisons Road from **27 August to 12 March** next year for contractors to do necessary work in connection with the development of Izone. As the work involves the laying of a sewer main down the middle of Hoskyns Road, closing the road is considered the safest option.

The contractors (Sicon/BG Contracting) have advised that they will open the road over the Christmas break. During the closure the contractors will maintain access to residents and businesses along Hoskyns Road.

Signs are being installed at each end of the closure to warn motorists.

Those travelling from Darfield to Rolleston can use the Aylesbury Road – Wards Road route which adds 1km to the journey.

Any queries or concerns should be directed to Asset Engineer Transportation **Mark Chamberlain**, 347 2858.
