Canterbury Community Trust provides grant towards the Selwyn Aquatic Centre

The Selwyn District Council has been granted \$100,000 towards Selwyn Aquatic Centre project by the Canterbury Community Trust. Additionally, the Community Trust has offered the Council a Community Loan of up to \$200,000 (at 3% for a period of 10 years).

"We are very grateful to the Community Trust for their generous grant and loan offer. The Aquatic Centre will be a huge asset for the Selwyn community and this grant means we are one step closer to achieving the target of \$1.5 million in external fundraising set by the Council" says Selwyn Mayor **Kelvin Coe**.

"As Selwyn continues to grow in size, facilities like the Aquatic Centre are important contributors to the lifestyle that people who live in, or visit, our District enjoy".

The Selwyn Aquatic Centre fundraising campaign has already raised around \$1.27 million to date towards the construction of the facility. "With the great response we have had to date, we want to exceed our target, so our active programme of fundraising will continue on past reaching our target" says Mayor Kelvin Coe.

Building began on the new Aquatic Centre in Rolleston in January this year and is set to be completed mid 2013.

Selwyn Hot Tips

Rural Fires

Residents in our rural areas on the Plains are allowed to burn crop residue, vegetation, paper, cardboard and untreated wood.

Farmers, in particular, often need to take the opportunity before conditions get too hot, and fire restrictions are in place, to get rid of excess vegetation and crop residue.

There are still some guidelines to follow however with burning vegetation, crop residue and drum fires. These include creating a fire break and ensuring someone is attending the fire at all times.

Burning of tyres, plastic and/or treated wood are **not allowed** under Environment Canterbury's Air Plan.

More information about these guidelines is available from www.selwyn.govt.nz/fire

For all smoke complaints please contact Environment Canterbury's Pollution Hot Line 0800 765 588

With another long weekend coming up and Christmas holidays not too far away, it's a timely reminder to think about how we plan our long-distance travel. All too often we focus on the destination and not the journey.

Selwyn District Road Safety team recommends you:

- Plan your trip ahead and include travel time and rest stops
 - Make sure you have a good night's sleep before you travel
 - Drive at times you are normally awake
 - Take a break from driving at least every two hours
 - If possible share the driving
- Safe driving is arriving safe – **drive fresh**
