Supporting the Arts

The Creative Communities Assessment Committee needs new community representatives for the Malvern and Springs wards. The committee operates under the wing of the Selwyn District Council to distribute Creative New Zealand funds for local arts and cultural projects. It meets four times a year to consider funding applications.

The unpaid positions start January 1, 2013, for a term of three years. Travel expenses are reimbursed. Ideally, candidates will have been actively involved in the arts in the Malvern and Springs wards, and be keen to encourage and promote arts activities within Selwyn district. Applicants must reside in the ward they wish to represent.

If you are interested in these positions, please apply in writing or email, including details of your involvement in the arts, by 5pm, Friday, 7 December 2012.

Post your application to: Creative Communities Assessment Committee Position, Selwyn District Council, PO Box 90, Rolleston 7643, Attention Stuart Westoby or email stuart.westoby@selwyn.govt.nz

For further information, contact Stuart Westoby 347 2708.

Are you involved in the arts, but need some financial assistance to make your project work?

Sunday 25th of November at 10 am

The low-lying site of the new Tai Tapu Bush is finally drying out after many heavy rains. Planting the final stage (1850 plants) has been programmed and the Rhodes Park Committee invites the community and sports clubs operating in the domain to the above planting event.

As before, tools will be provided – just wear suitable shoes.

We will have a BBQ after the planting (about 12 noon) and admire this well-supported community project.

Where there's smoke...

If you see smoke, please pause before dialing 111 and ask yourself – *is this fire out of control and a reporting matter?* Fire fighters within Selwyn are all volunteers, and to call them out to a fire unnecessarily is time-consuming and expensive.

You should only dial 111 if the fire is clearly out of control.

If you are concerned about **smoke nuisance** then call Environment Canterbury's Pollution Hot Line 0800 765 588
