Darfield Medical Centre – Construction Update

Construction of the Darfield Medical Centre is now well underway. Wall framing is now complete with the exception of minor internal areas.

Roof trusses have been erected and roof framing has been mostly finished, except for a small central area. The main entrance canopy framing and ply linings are nearly finished.

The construction of the centre is now expected to be finished by early April due to delays with materials over the Christmas period.

Thanks for your help

The past few weeks have been a busy and stressful time for many people living in Selwyn district. We experienced a significant fire at Broadfield on 10 January, and several other fires in recent weeks. "The volunteer fire fighters have displayed outstanding service to our community through their efforts to contain and control fires, while working in extremely challenging conditions," says the Council's Principal Rural Fire Officer, Wilson Brown. "We appreciate their willingness to give up their time and drop their own work to attend fires and help keep our community safe."

Many people helped out during the recent fires. These included local volunteer and rural fire fighters and rural fire teams, the New Zealand Fire Service, the New Zealand Police, the New Zealand Defence Force, Council staff, contracting

firms and organisations who looked after those fighting the fires.

Families in the area near to the Broadfield fire also helped fire services by making their pools and other water sources available for fire fighting, and helped out their neighbours. Many community and national organisations also offered their assistance to help people affected by the fires and we received many donations from the community. Because people have given so generously to this cause, no further donations are needed.

"It has been fantastic to see the way a range of organisations and the wider community came together to respond to the fires," says Mr Brown, "Everyone showed a willingness to help out in whatever way they could."

Are you involved in the arts, but need some financial assistance to make your project work?

The closing date for Creative NZ – Creative Communities Scheme funding applications is **Friday 22 February 2013**.

For more information about criteria, contact the scheme administrator, **Stuart Westoby**, at the Selwyn District Council, Stuart.Westoby@selwyn.govt.nz, phone: 03 347 2708

Wanted: Experienced Sports People to Assist with Funding Committee

Selwyn District Council's Sport NZ Rural Travel Fund Committee is seeking applicants from residents in the Ellesmere, Springs and Selwyn Central wards to become members.

The committee meets twice a year to consider applications from clubs seeking assistance with travel costs to local competition matches. The positions, which last three years, are unpaid, although travel expenses will be reimbursed.

Applicants will need to advise which ward they seek to represent and must reside in the Ward they seek to represent.

The ideal candidate will have been involved in sport or sports administration, have an overview of sport/recreation in Selwyn and will be keen to promote sport in Selwyn District.

Applications must be in writing, including details of sporting/sports administration involvement, and be received by **5pm Friday 22 February**. They may be handed to Council Library or Service Centres (Attention: Stuart Westoby) or mailed to: SPORT NZ Rural Travel Fund Committee Position, Selwyn District Council, PO Box 90, Rolleston 7643 Attn: **Stuart Westoby**

For more information phone 347 2708 or 318 8338, or email stuart.westoby@selwyn.govt.nz

Headstone repairs underway at Springston

Repairs to cemetery headstones at Springston cemetery are now underway. 170 headstones in the cemetery need repair as a result of earthquake damage.

The Council has allocated a budget of \$230,000 to complete headstone repairs at cemeteries across the district.

Work on Greendale cemetery, where earthquake damage was most severe, was completed last year. The Council plans to complete all repair work in the district within the next three years, and will be staging the work and focusing on the worst affected cemeteries first.

If you have any questions about the repairs please contact **Stephen Wright** at the Council on 347 2800.

2013 Census Every Person Counts

On **Tuesday 5 March**, the 2013 Census will be held. The census counts how many people and households there are in New Zealand.

Selwyn District is one of the fastest growing areas in New Zealand so knowing where new people are located is important to ensure that our communities receive services like healthcare and education as the population grows.

You can fill in your census form online or on paper. Internet access codes and paper forms will be delivered to your home between **Saturday 16 February and Tuesday 5 March**. Census forms will be collected from Wednesday 6 March.

To find out more about the census, visit www.census.govt.nz or call 0800 236 787.
