The Council reached its target of 1,810 TVs sooner than expected for the Ministry for the Environment funded TV recycling scheme. As other areas of the greater Christchurch area have not reached their targets, we have been allocated another 800 TVs that can be recycled. This brings the new total to 2,610 TVs that can be collected as part of this programme.

TVs can be recycled at The Pines Resource Recovery Park on Burnham School Road during normal opening hours (Monday to Friday 9am – 4.30pm, Saturday/Sunday 10am – 4pm).

They can also be recycled at the Sicon Yard in Darfield on Mathias St. This will be open for one day only on the 15 June from 9am – 3pm.

TVs will be collected under the Ministry for the Environment program until the limit of TVs we can accept has been reached. The number collected will be updated weekly on Council's website.

Go slow on ice or snow

It looks like Winter has arrived and snow has been falling in Selwyn. Although snow presents a challenge for drivers and they don't want snow, it also brings many skiers to our district. Here are a few driving tips to remember when driving on roads covered with ice or snow.

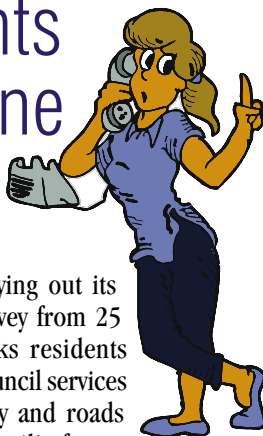

- Avoid driving if possible, especially if conditions are poor
- Drive slow on ice and snow
- Drive with your head lights on dip for increased safety
- Check the weather forecast and road conditions regularly
- Increase following distances, the 2-second rule should be at least the 4-second rule
- Winter maintenance vehicles may be on the roads, obey all instructions and do not pass unless instructed to
- After snow begins to melt, be aware of ice on the roads, especially in shaded places
- Always carry a cell phone, a torch and warm clothing in the car, just in case your vehicle gets stuck in snow. The wait for assistance can take time.

Remember, mother knows best.

Residents telephone survey

The Council is carrying out its annual residents survey from 25 May. The survey asks residents what they think of Council services like the water supply and roads and about the Council's future plans for the district.

To help our future planning we are also asking for residents' views on topical issues. For example, in this year's survey, we are asking people to comment on how the Council can help meet the needs of new residents.

We will be contacting 1,000 residents and asking them to take part in the survey.

SeniorNet Classes

SeniorNet classes resume in Lincoln on 5 June. Classes are being held Wednesday afternoons and Friday mornings. Topics cover: introduction to computers, word processing, excel spreadsheets, internet and emailing.

For more information contact Lisa on 021 023 291 89, 3245 7831 or by email lisa@vodafone.co.nz.
