#### West Melton Reserve Board

- Monday, 15 July, 7.30pm, West Melton Domain

## Annual Plan adopted

Our Annual Plan for the coming year has now been adopted. 92 submissions were received on the draft plan, covering a range of issues, such as transportation expenditure, land drainage, community halls and other topics.

This year's Annual Plan also includes \$1 million in increased expenditure on roading. The money will be used to continue to maintain roads to their current standard, as the level of funding the Council receives from the New Zealand Transport Agency has reduced. Submissions from the public indicated that people did not want the standard of roads in the district to decline. We will be looking at how it can continue to fund road maintenance work in future years with a reduced level of government subsidy.

As part of the Annual Plan, the Council also consulted on a proposal to liquidate Selwyn Investment Holdings Limited (SIHL). This proposal has now been approved by the Council, and will remove overhead costs previously associated with running the company and increase investment income.

The average rates increase for 2013/14 is 5.3% – down from 5.8% proposed in the Long Term Plan. Actual rate increases will vary, as they depend on the services ratepayers receive and the relative change in their property value following a revaluation across the district.

Mayor Kelvin Coe is thanking submitters who made submissions and attended a hearing. Staff will be writing to submitters to advise them of the response to their submission.

Please forward your tender in a sealed envelope by 5pm Monday 15 July 2013 and address to Ram Tender, Selwyn District Council, PO Box 90, Rolleston.

## MICROCHIPPING CLINIC

If your dog was first registered after 30 June 2006 and is not a working dog, the law requires them to be microchipped. This free monthly service is available at the following places.

#### Friday 19 July

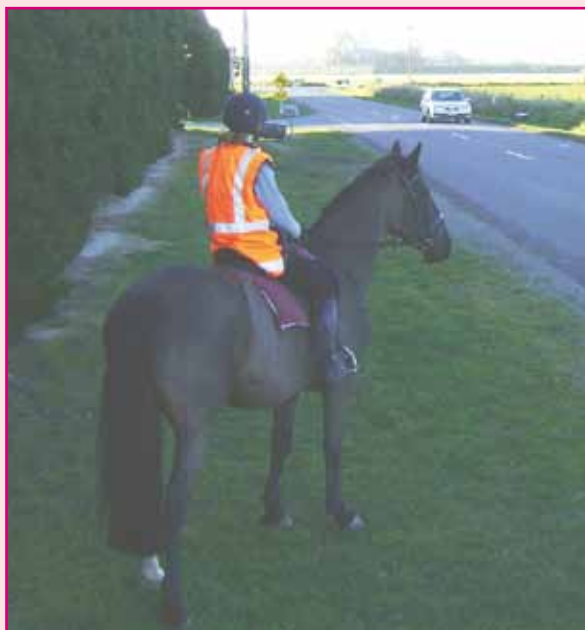

Lincoln	9 – 9.30am
Leeston	10.15 – 10.45am
Darfield	11.30am – 12pm
Rolleston	12.45 – 1.15pm

#### Please note:

- All clinics last for only half an hour.
- The Rolleston venue is in Norman Kirk Drive (off Rolleston Drive).
- Microchipping will not take place if wet.
- Working dogs and dogs registered before 1 July 2006 can be microchipped for \$20 per dog.

If you have any questions regarding microchipping, please contact Tracey Wheeler on 347 2800 or 318 8338.

## Watch out for other road users

Drivers should always be aware that there may be pedestrians, joggers, cyclists and horse riders out on our roads and roadsides, even in winter. Although a vehicle will be seen some distance away, particularly if headlights are on, it may not be as easy to see the other road users until they are really close.

It is recommended that cyclists, pedestrians and riders also do the best they can to be seen. Wearing bright clothing, reflective bands or a high-viz vest won't make you bullet proof, but it goes a long way to help the driver see you earlier. Be safe, be seen.

Drivers should take extra care passing and always ensure there is enough clear road ahead if you need to cross the centre of the road. Corners and intersections require extra care on the drivers' part. Remember, if they are on the same side of the road as you, it is your responsibility to wait behind until it is safe to pass.

**Remember, Mother Knows Best**

## Be informed in an emergency

Did you know that you can add your phone number and email address to the Council's rates database to be kept informed in an emergency?

Where we hold people's phone and email addresses we will contact you if a boil water notice is issued or there are any urgent messages we need to let you know about in a civil defence emergency.

If you would like to have your contact information added so we can provide this service please visit [www.selwyn.govt.nz/yourdetails](http://www.selwyn.govt.nz/yourdetails).

Remember to keep us informed also if your address, phone number or email changes – you can also use the online form mentioned above to update your information.

## Land Use Recovery Plan

Following consultation on the preliminary draft Land Use Recovery Plan, Environment Canterbury (ECan), working with strategic partners, has prepared the draft Land Use Recovery Plan.

The draft Land Use Recovery Plan sets a framework and provides delivery mechanisms to:

- rebuild existing communities
- develop new communities
- meet the land use needs of businesses
- rebuild and develop the infrastructure needed to support these activities
- take account of natural hazards and environmental constraints that may affect rebuilding and recovery

The draft Land Use Recovery Plan includes proposed amendments to Environment Canterbury's Regional Policy Statement and the Selwyn District Plan.

The Minister for Canterbury Earthquake Recovery can make changes, make no changes, or withdraw all or part of these amendments in the draft Land Use Recovery Plan.

The amendments may be implemented as fully operative provisions of those planning documents after the Minister makes a decision about the draft Land Use Recovery Plan and any comments received on it

The draft Plan can be viewed online at [www.cera.govt.nz](http://www.cera.govt.nz) and at the Council Headquarters at 2 Norman Kirk Drive, Rolleston and at Selwyn libraries/ service centres.

Comments on the draft Land Use Recovery Plan must be in writing and include your full name, organisation (if applicable), postal address and a contact email address.

A comment form is available at the locations listed above where the draft Plan can be viewed, and online at [www.cera.govt.nz](http://www.cera.govt.nz). Comments can be made by emailing [info@cera.govt.nz](mailto:info@cera.govt.nz) or by post to:

### Freepost
