### Temporary Water Race Shut Down

Glenroy Community Irrigation Co. Ltd are temporarily shutting off the Upper Ellesmere water race intake and scheme to allow for intake maintenance.

The intake will be closed on Tuesday, 27 August and will be reopened on Thursday, 29 August. Races affected include Rakaia Terrace, Sharlands, Waikimihia, Rakaia, Selwyn and Illingworth Roads and all off-shoots. The flow may take time to reach all downstream users of the scheme.

An affected area map is available at [www.selwyn.govt.nz](http://www.selwyn.govt.nz). Any questions relating to this shutdown should be directed to Selwyn District Council on 03 347 2800 (24 hour answer service).

### Events keep liquor and food licensing services busy

Selwyn's population boom, a growing number of cafés, and more events in the district are keeping the Council busy carrying out food and liquor licensing.

The number of venues with a food or health license in Selwyn has increased by 24% over the past four years, indicating that as Selwyn's population has grown, more cafés and shops are opening. The number of liquor licenses issued by the Council has increased by 39% since 2009.

Environmental Services Manager John Christensen says the increase in liquor licenses is due to both an increase the number of special licenses issued and more people holding a manager or club manager license.

A special license is needed for an event where alcohol is for sale or when a venue wants to serve alcohol outside of the terms of its liquor license.

"The increase in the number of special licenses reflects the fact that there are now many more events happening in Selwyn than there were a few years ago. Many of the venues in Christchurch that used to cater for functions are no longer open following the earthquakes and more functions and events are now hosted in Selwyn. This is good news for our district's economy," says John.

The Council regularly inspects venues with food and liquor licenses to make sure they are operating safely.

A controlled purchase operation was carried out by the Police in Selwyn recently involving 15 and 16 year olds attempting to purchase alcohol without ID. This operation found that none of the 13 venues that were visited sold alcohol to minors.

### Rolleston Fireworks Night Saturday 9 November

Apart from celebrating the night safely, and giving the district a family fun night, this event is also a large fundraiser for many schools and non-profit groups.

Due to the popularity of the event, the organising volunteers are calling for expressions of interest from any group wishing to have a stall this year.

If you are interested in having a stall contact [lynley.shaw@me.com](mailto:lynley.shaw@me.com) by Friday 13 September 2013.

Due to the nature of the evening priority will be given to non-profit and community groups before commercial ventures. The committee will then contact those successful parties by the end of September.
