## Lower Ellesmere Water Race Shutdown

The Council will be shutting down the Lower Rakaia Intake for maintenance.

The intake will be closed off from 5 – 10 November. The intake will be turned on again on the afternoon of the 10 November or earlier on the completion of work. All races below Northbank Rd and Knyvetts Rd will be affected. An affected area map is available at [www.selwyn.govt.nz](http://www.selwyn.govt.nz).

Any questions relating to this shutdown should be directed to the Council on 03 347 2800 (24 hour answer service).

## Changes to intersection controls on Wards Road

From Monday 4 November, stop signs will be installed at the intersections of Wards Road with Sandy Knolls Road and Highfield Road. The new stop signs will replace the Give Way signs that are there now and change the priority at the intersection with Wards Road traffic having priority over Sandy Knolls Road and Highfield Road traffic.

The change of priority and the installation of stop signs are being introduced as the traffic volumes have been growing on Wards Road since this route was sealed to provide a better connection between Malvern and Rolleston. With the increase in traffic, it is important that motorists now observe the change in priority and take the care necessary at these intersections.

Changed intersection layout warning signs are being installed at the intersections to let motorists know that the intersections controls will change soon.

## Neighbourhood Week

Neighbourhood Week takes place from 25 October – 3 November. The week is a great chance to get to know your neighbours. Once you know your neighbours you may be able to help each other in a variety of ways – like being able to help and check up on each other in an emergency, or taking care of each other's pets if you're away.

To support Neighbourhood Week, the Council has small grants available for neighbourhood get-togethers. You could use this money to help host an event like a barbeque, a wine and cheese evening, a treasure hunt, a neighbourhood fun day. Events can be held any time during October or November. To find out more about the grants please contact Sue Jenkins on 03 347 2800 or 03 318 8338 or email [sue.jenkins@selwyn.govt.nz](mailto:sue.jenkins@selwyn.govt.nz).
