Malvern Community Board News

At our recent meeting we allocated grants to the Darfield Citizens Advice Bureau to help market and promote their services, and we also allocated funding for Arbor Day tree planting to Darfield, Sheffield, Hororata, Glentunnel, Windwhistle, Kirwee, Springfield and Greendale Primary Schools.

We are hosting our Community Service Awards Evening on Thursday 4 December. This evening will recognise people in the Malvern who have provided outstanding voluntary service to the community.

We also discussed housing needs in Malvern as the Council is gathering information on this currently. We would like to see more options for smaller housing in Malvern – such as units or townhouses and options for older people such as retirement villages. There is also a need for housing for low income families.

We also received an update on McHugh's Forest Park and a report on the plan for the park following public consultation will be presented to the Council in the next few weeks.

Proposed Exchange of Part Local Purpose (Gravel) Reserve at Homebush Road, Hororata

Public notice is hereby given in terms of Section 15 of the Reserves Act 1977, of the intention of Selwyn District Council to pass a resolution to exchange a part of its Local Purpose (Gravel) Reserve (known locally as Knowles Pit) situated at 1850 Homebush Road, Hororata and containing 2.0234ha more or less, for an equivalent area of freehold land in the name of the neighbouring farmer.

The exchange will remedy a situation that existed prior to 1985 where the Council extracted gravel from the freehold property. The farmer will receive part of the Council reserve not affected by any metal extraction and Council will receive the area of land from which the metal had been extracted.

Further details of the proposed sites to be exchanged are available for inspection at the Council's Offices, Norman Kirk Drive, Rolleston. Any person wishing to object or make a submission may do so in writing to the Council by no later than 5pm on 12 December 2014.

Please direct any enquiries to Rob Allen, Property Services Coordinator, P.O. Box 90, Rolleston 7643.

ROLLESTON DOG PARK

The Rolleston Dog Park will also be closed on Saturday 22 November from 7.30am – 5pm for an Agility Ribbon trial. You are welcome to come and watch but your dog must be on a lead. Thank you.

Temporary Library Closure

Selwyn Library & Service Centres will be closed on Thursday 13 November from 8.30am to 1pm, to allow Library Staff to attend a meeting at Rolleston Headquarters.

We apologise for any inconvenience. For any urgent Council queries please ring 03 347 2800.

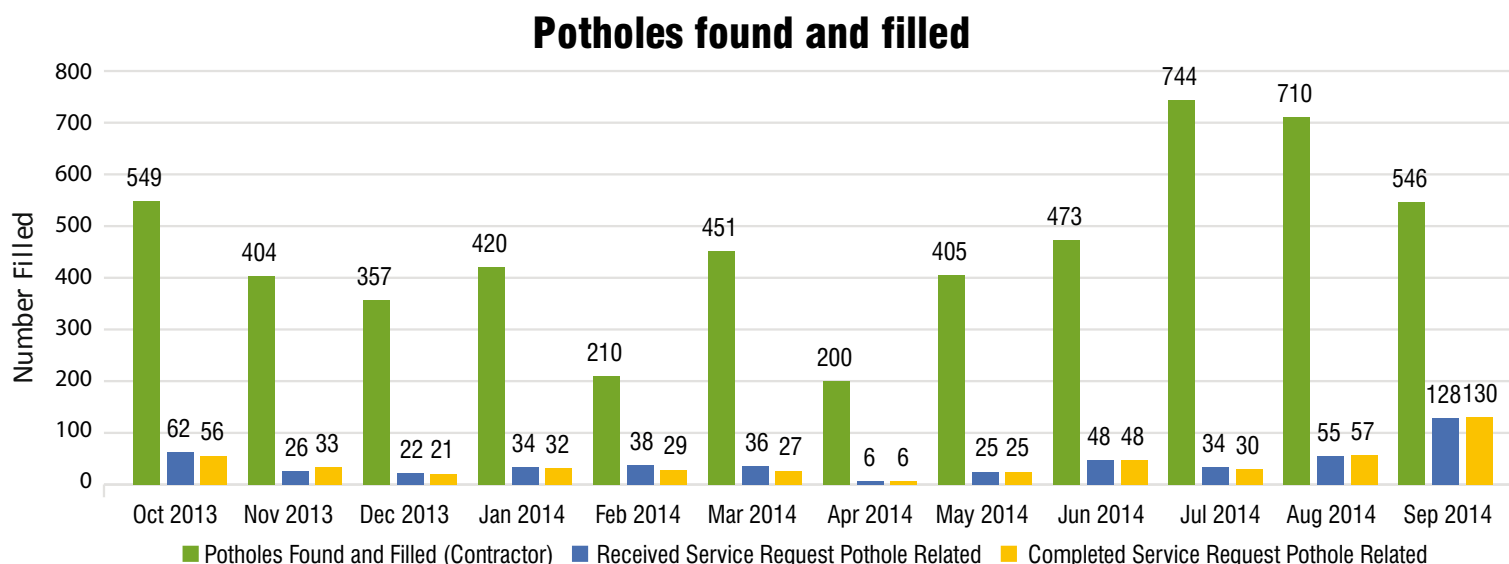

Normal services will resume at 1pm. Thank you.

Fire Restrictions

A restricted fire season is currently in place in Selwyn district.

Under a restricted fire season, only gas barbeques, crop residue and rubbish fires inside contained drums are allowed in rural areas of Selwyn. There are a number of conditions which must be met before fires can be lit – see www.selwyn.govt.nz for information. Any other fires (including bonfires) can only be lit if a permit has been obtained from the Council. If a fire brigade is called to a fire lit in a restricted season which does have a permit or is not allowed under the exemptions, a \$575 callout fee will apply.

In residential areas the only type of fire permitted throughout the year is a gas barbeque. Other fires need a resource consent from Environment Canterbury. In the high country and hill areas of Selwyn, a restricted fire season is permanently in place.
