Roading Resealing programme

A list of roads which will have resealing work completed by June 2015 is now available on the Council's website, www.selwyn.govt.nz.

Resealing work is undertaken during the spring, summer and autumn when weather conditions help the seal to set. Resealing work is now underway at a number of sites.

Resealing work will be undertaken on 60 roads and a total of 76 kilometres of roads will be resealed. Of this, 11 kilometres of resealing work is extra work which was funded by the \$60 targeted roading rate introduced in July. This funding will enable the resealing of sections of these roads:

- ◆ Selwyn Road (from Shands Road to Lincoln Rolleston Road)
- ◆ Lincoln Rolleston Road (from Selwyn Road to Lowes Road)
- ◆ Springston Rolleston Road (from Rattletrack Road to Dynes Road)
- ◆ Weedons Road (from Ellesmere Junction Road to Shands Road)

4 kilometres of road rehabilitation work will also be undertaken at five sites – this work involves the road base being reconstructed, the surface levelled and then resealed.

The roads where rehabilitation work will be done are Selwyn Lake, Southbridge Leeston, Leeston Dunsandel, Old Tai Tapu and Feredays roads. Construction is currently under way on Selwyn Lake Road. The roading targeted rate has allowed the Council to increase road rehabilitation work planned from 1 kilometres to 4 kilometres.

ROTARY CLUB OF LINCOLN

A New Menz Shed for Lincoln!

The Community Service Committee of the Rotary Club of Lincoln is keen to see the establishment of a Menz Shed in Lincoln. An interest meeting will be held on Wednesday, 3 December at 7.30pm, at Lincoln Bowling Club, 162 North Belt, Lincoln. For further information please contact Pat Nicholas on 03 344 5704 or email: patandjoan@xtra.co.nz.

What is a Menz Shed?

A Menz Shed brings men together in one community space to share their skills, have a laugh, and work on practical tasks individually (personal projects) or as a group (for the shed or community). It is a great place for blokes to learn new skills. We see retired builders teaching retired engineers some of their skills and visa-versa; we see retired accountants learning skills they never had the opportunity to learn before. Many sheds also have ladies sessions, where women can learn new skills. For more information on Menz Sheds go to www.menzshed.org.nz.

Summer Skate Jam

The first of the Summer Series of Skate Jams is happening this Wednesday 19 November at Tai Tapu School from 4-6pm and includes free gear hire, skate boarding lessons, music and prizes.

Some of these services our young people are now accessing are: activities organised by Idea services, Star Jam, Special Olympics, sports activities and transition support.

Our next event is a mix and mingle evening on Monday 24 November at 7pm at Rolleston Community House (45 Shelley Street, Rolleston). We would like to invite any interested people along or new families. We encourage parents/guardians to come along also.
