Are you involved in the arts, but need some financial assistance to make your project work?

The closing date for the Creative NZ – Creative Communities Scheme funding applications is Friday 28 November.

For more information about criteria, contact the scheme administrator, Stuart Westoby, at the Selwyn District Council phone 03 3472708, stuart.westoby@selwyn.govt.nz

The following grants were made from the last funding round:

- West Melton & Districts Film Society – \$250 towards float decoration & costume hire
- Malvern Community Arts Council-Performing Arts Committee – \$700 towards the performance of 'A Christmas Carol'
- Celebrating Selwyn – \$6,000 towards the cost of the 2015 Celebrating Selwyn guidebook

The Selwyn Dog Training Club will use the Rolleston Dog Park for dog obedience competitions over the weekend of 8 and 9 November from approximately 7.30am to 5.30pm.

The park will be closed for off-lead dog exercise during these times.

The Club is happy for people to come and watch the competition, but spectators with dogs are asked to keep them on a lead and well away from the competition area.

Draft Significance and Engagement Policy

Selwyn District has approved a draft Significance and Engagement Policy for public consultation. The policy has information on:

- the Council's approach to determining the significance of proposals and decisions in relation to issues, assets or other matters
- any criteria or procedures that are to be used by the Council in assessing the extent to which issues, proposals, decisions or other matters are significant
- how the Council will respond to community preferences about engagement on decisions relating to specific issues, assets or other matters, including when use of the special consultative procedure is desirable
- how the Council will engage with communities on other matters.

Copies of the policy and submission forms are available online at www.selwyn.govt.nz/haveyoursay and from Council libraries and service centres.

Submissions must be received by **7 November 2014**.

Rolleston Residents Association Meeting

There will be a guest speaker from the proposed West Rolleston Primary School at the Rolleston Residents Association Meeting being held at 7.30pm on Monday 3 November in the Community Centre. They will be updating us on the plans in place and will be available to answer any questions.

Temporary Library Closure

Selwyn Library & Service Centres will be closed on Thursday 13 November from 8.30am to 1pm, to allow Library Staff to attend a meeting at Rolleston Headquarters. We apologise for any inconvenience.

For any urgent Council queries please ring 03 347 2800. Normal services will resume at 1pm. Thank you.

Recovery Grants available

Community-led recovery grants are available to organisations working in neighbourhoods and communities on earthquake recovery activities in greater Christchurch.

Applicants must be an established community based not-for-profit group or organisations with proven financial management accountability and service delivery.

To find out more about the grants and criteria visit www.redcross.org.nz and select 'what we do' and 'helping in Canterbury.' Applications close on **30 November 2014**.

Applications for this funding round close **Friday 21 November**.

Malvern Enviro group needs a logo!

We are in need of the creative talents of a local artist / designer to help us out with a logo design.

The logo should make people think of the local culture or environment. The design should be kept simple so it can be easily recognised from a distance. The competition is open to all ages with prizes for primary, secondary and adult categories.

The design can be with or without the "Malvern Enviro" text and be in colour or black and white. There is a \$50 prize for the winner (sponsored by Fonterra).

Entries should be submitted to Janine Harvey at the Darfield Motel by 5pm, 7 November with your name, age/category, two contact phone numbers and an email address. Email malvernenviro@gmail.com or contact Janine on 03 318 8242 for information.

Pest Research and Control business in IZONE

We would like to update the community on the information we currently have about the site owned by Pest Control Research NZ on Centrum Place at Izone.

The Council has not received a resource consent application for the manufacturing of 1080-baited pellets and we understand there is no manufacturing taking place at the site currently. If the property owner wished to use the premises for manufacturing a pest control product containing 1080, or storage of significant quantities of that product, they would first need to obtain a resource consent from the Council.

The consent would include conditions to ensure that any operation involving hazardous substances was managed to minimise the risk of environmental or health impacts. Any resource consent application would also be likely to be referred to an independent consultant for assessment. The owner would also need to meet any requirements of other regulatory agencies relating to the manufacture or storage of the material (for example, the Environmental Protection Authority).

Council staff have been in contact with the site owners last week to advise them of the District Plan requirements for hazardous substances.

Lincoln & Districts Historical Society Fieldtrip Sunday 9 November

We will be visiting the recently restored Racecourse Hill; the Old Parsonage, Waddington, and Matt Williams's Museum in Darfield.

Depart from Lincoln Event Centre at 10am – pickup at Springston School. Return to Lincoln by 4pm.

Total cost: \$20. Only 25 seats available. Bring your lunch and something to sit on. Everyone welcome. Contact Margaret Morrish on 325 2790 or Margaret Hannan on 325 2588.

Biodiversity in the Garden

During the road closures, traffic will be requested to detour along the nearest alternative route. Any queries can be directed to Joanne Harkerss 347 2887.

Selwyn Community Board News

Progress is being made on the Rolleston Railway Station beautification works. Last weekend a group of volunteers and community board members carried out planting work and laid sleepers to create a garden alongside the railway platform. We are very grateful to the volunteers and local businesses who have provided materials and assistance to enable the work to be completed.

The next works we have planned as part of the beautification work are to complete further planting work, add some picnic tables and rubbish bins and create a barrier between the station and the State Highway. We are pleased that ASP Group and the Pearce family have come on board as a sponsor to help fund these works. The Board will also have a stand at the Rolleston Fireworks display with information about the Rolleston Railway Station project, along with a raffle and colouring in competition, so please visit us there to find out more about the project.

The Board has recently allocated a number of grants to local individuals and community groups. One of the grants was made to Cam Armishaw, a 16 year old boy who lives in Rolleston. Cam has Hodgkins Lymphoma. Cam is unable to attend school because of his health but he has shown extraordinary resilience in a very challenging situation as his father passed away some time ago and his mother has had to give up work to care for him and his younger brother. The grant will assist the family with specialised food, transport costs and medical costs which are not met by other sources. We would like to encourage other Selwyn families and businesses to support Cam and his family – you can make a donation by visiting www.givealittle.co.nz/cause/CamArmishaw.

We would also like to let the wider community know that the community board has grants available to support community groups and individuals – to find out more about the grants and the criteria associated with these visit www.selwyn.govt.nz/grants.
