## Public Notice by SELWYN DISTRICT COUNCIL

### Partially Operative Selwyn District Plan

#### Land Use Recovery Plan, Gazetted 6 December 2013

The Land Use Recovery Plan (LURP) seeks to achieve the vision of the Recovery Strategy for Greater Christchurch and has been developed in response to the Canterbury earthquakes to assist recovery and rebuild.

It is a statutory document that directs the Selwyn District Council to make changes to its District Plan. Some of these changes have already occurred while others are to be developed by the Council and provided to the Minister for Canterbury Earthquake Recovery within specified timeframes.

The Selwyn District Council has developed and is now consulting on a number of these actions. These actions will potentially lead to changes to the Selwyn District Plan. The relevant actions are listed and briefly described below:

#### Action 6

Selwyn District Council is directed to change or vary the objectives, policies and methods of its District Plan to the extent necessary to identify appropriate sites, including brownfield sites, within the existing urban area for intensified residential and mixed-use development and enable comprehensive development of these sites.

#### Action 18

Selwyn District Council is directed to amend its District Plan to the extent necessary to include zoning and outline development plans in accordance with chapter 6 of the Regional Policy Statement for a number of greenfield priority areas in Rolleston and Prebbleton.

#### Action 27 (iv)

Selwyn District Council is directed to change or vary the objectives, policies and methods of its District Plan to the extent necessary to provide for greenfield priority areas for business in Rolleston.

#### Action 48

Selwyn District Council is directed to make any changes or variations to objectives, policies and methods in its District Plan (in addition to those directed in other actions in this Recovery Plan) that it considers are appropriate to enable and support recovery and rebuilding in accordance with this Recovery Plan.

#### How to find out more or comment:

A full copy and description of the changes recommended under each of the above actions can be seen on the Selwyn District Council website: [www.selwyn.govt.nz](http://www.selwyn.govt.nz). Please note the material for Action 18 will be available on the website on Wednesday 30 April.

Any person or organisation may make comments to the Selwyn District Council supporting or opposing the recommended changes by:

Posted to: Planning Department, Selwyn District Council, P O Box 90, Rolleston 7643.  
Delivered to: A Council Service centre in Darfield, Lincoln, Leeston or Rolleston.  
Faxed to: (03) 347 2799 (if you fax your submission, please post or deliver a copy to the address above)  
Emailed to: [submissions@selwyn.govt.nz](mailto:submissions@selwyn.govt.nz)  
Submitted online at: [www.selwyn.govt.nz/forms/docs/online/](http://www.selwyn.govt.nz/forms/docs/online/)

Council will consider comments and make changes as necessary to the actions. The final version will be provided to the Minister for Earthquake Recovery who will determine if any amendments will be made to the District Plan and, if so, how this should be given effect to, including any public process required.

Further questions on the process or this notice can be directed to Cameron Wood at the Selwyn District Council on (03) 347 2811.

The closing date for comments is 5pm on Monday 12 May 2014.
