Rolleston Fireworks Night – Saturday 8 November 2014

Apart from celebrating the night safely, and giving the district a family fun night, this event is also a large fundraiser for many schools and non-profit groups.

Due to the popularity of the event, the organising volunteers are calling for expressions of interest from any group wishing to have a stall this year to contact lynley.shaw@me.com by Friday 15 August 2014.

Due to the nature of the evening priority will be given to non-profit and community groups before commercial ventures. The committee will then contact successful parties by the end of August.

NZ Newcomers Focus Group

Have you moved to Selwyn in the last 3 years?

Then come along to this focus group on Monday 21 July from 10.30am – 12noon at Rolleston Community Centre and talk with Brigid from NZ Newcomers Network about your experience of living in Selwyn.

The information gathered will help to inform local and central government about how they can assist communities with the rapid growth Selwyn is experiencing.

For more information and to register to attend email ryan.will@xtra.co.nz or phone 03 540 2321.

Refreshments provided and children are welcome.

Canine Competition fun at Leeston Library

As July is dog registration month Leeston Library is hosting two canine themed competitions.

Join our kids treasure hunt to find dogs who have ‘escaped from the pound’ and are hiding out in Leeston and name the dogs and their breed.

Adults and kids can also take part in a competition to find clues around the library about owning and caring for your dog in Selwyn.

Both competitions have prizes for the winners plus giveaways for entries.

Events Funding Available

Applications to Selwyn District Council’s Events Fund are now open. \$40,000 is available in the fund to support events that are held in Selwyn which are open to the public.

The fund was established last year and supported 17 events including the Darfield Country Xmas in the Park, Hororata Highland Games, Rolleston Community Fireworks Night, Children’s Day, Enviro Ellesmere – Themes Exposé and the NZ Young Farmer’s Competition.

To be eligible for a grant, events need to meet these criteria:

- the event attracts local, regional and / or international visitors
- it contributes to key benefits identified in the Council’s events policy
- it helps to increase the range and diversity of events in Selwyn
- it promotes the Selwyn district

Events should preferably be run by a not for profit organisation with charitable status, although applications from community organisations and individuals may be accepted.

Applications for funding for events planned over the next year must be received by 1 August 2014. Application forms and information about the fund is available online at www.selwyn.govt.nz/eventsfund.

Kirwee water update

The Kirwee water supply is operating as normal while repair work is being scheduled. The water supply is no longer being chlorinated and is safe to drink. The supply also has adequate capacity and no restrictions on water use are in place.

Repair work was scheduled for this scheme earlier this year and there has been some delay to this work due to contractor availability. The reservoirs for the scheme have now been inspected by a qualified engineer who has identified and recommended routine repairs be made, such as renewing and replacing pipework and some additional measures as a precaution to ensure the supply is fully secured from infiltration.

The Council will write to Kirwee residents to update them once the repairs have been completed.
