Restricted Fire Season

Notice is hereby given that as from 12 noon on Wednesday 5 November 2014 a Restricted Fire Season applies across the whole of Selwyn District.

Notice is hereby given that pursuant to Section 22(2) of the Forest & Rural Fires Act (1977), the lighting of fires in the open air within the rural areas of Selwyn District is restricted from 12 noon on Wednesday 5 November 2014 until further notice.

The exemptions to this are:

1. The burning of crop residue will be permitted without the issue of a Fire Permit providing the following conditions are met:

- Fires shall only be lit during daylight hours and must be out by dark.
- No fires shall be lit while strong winds are blowing or forecasted, or when conditions are such that the fire is likely to spread beyond the limits of the land for which this Authority is issued. Maximum allowable wind strength is 19kph (Beaufort Scale 3).
- The area to be burnt is to be surrounded by a continuous fire break, cleared of all combustible material to a minimum width of 10 metres.
- The fire is to be patrolled by the person lighting the fire until it is completely out.
- Prior to lighting, the occupiers of neighbouring properties are to be advised of the time and date of burning.
- That some form of Fire Fighting Equipment such as grubbers, beaters, fire extinguishers or vehicle mounted water supply/spray units is on site to deal with any fire outbreaks.

2. Fires are permitted in enclosed drums providing the following conditions are met:

- The drum top must be covered with a wire mesh sized no greater than 20mm or have a lid and flue with a spark arrester fitted.
- The drum must be surrounded by a 3 metre

area that is cleared of combustible material and be at least 3 metres away from other buildings, trees or vegetation.

- The area must be serviced by a reticulated water supply or an alternative water supply (tanker, dam, etc). The water supply must be capable of fully extinguishing the drum fire and the area immediately around it.
- The drum fire must only be lit during daylight hours and fully extinguished by dark.
- The drum fire must be attended by someone at all times until it is completely out.
- The drum fire must not be lit when the wind is blowing or forecasted to be above 19kph (Beaufort Scale 3).
- The drum fire must not be lit or allowed to burn when the smoke is likely to cause nuisance to neighbours.
- Only vegetation, paper, cardboard and untreated wood are allowed to be burnt under Environment Canterbury Air Plan.

3. Gas fuelled barbecues lit in properly constructed containers.

4. Only gas fuelled barbecues lit in properly constructed containers are permitted in Council Reserves.

5. Burning may be permitted if a Fire Permit has been obtained from the Principal Rural Fire Officer.

Notes

1. These exemptions apply to the Rural Areas of Selwyn District only. No open air fires may be lit within residential areas without a Resource Consent from Environment Canterbury.
2. Any Permit used is not a Legal Defence against a claim for any damage which may be caused by the fire. The responsibility for its control and the liability for any damage which may arise lies with the person lighting the fire.

WJ Brown
Principal Rural Fire Officer.

"No Alcohol, Glass or Dogs" - Policy Strictly Enforced

RESOURCE MANAGEMENT ACT 1991

Because of their possible environmental effects, many activities need a resource consent from the Council.

You have the right to inspect the full consent application received by council at any Council Service Centre during normal office hours or view on the council website www.selwyn.govt.nz and make a submission supporting or opposing the proposal.

Any person may make a submission but a person, who is a trade competitor of the applicant, may do so only if that person is directly affected by an effect of the activity to which the application relates that

- (a) adversely affects the environment, and
- (b) does not relate to trade competition or the effects of trade competition.

Selwyn Central Ward

Applicant: Road Metals Company Ltd (Attn Jonny Francis) PO Box 2341, Christchurch 8140.

Site of Application: A block of approximately 284 hectares bounded by Wards, Sandy Knolls and Kerrs Roads, Burnham on RS 31530, Pt RS 32004 and lots 4 & 6 DP 440446.

Application: 145436 – A variation to RC 105334, consent to establish and operate a quarry on RS 31530 & Pt RS 32004. This variation seeks to increase the extraction of aggregate from 160,000m³ per year to 500,000m³ per year, to increase the hours of operation, and to increase heavy vehicle movements from a maximum of 200 per day to a rolling average of 500 per day.

How to make a submission:

If you wish to support or oppose a consent application you must get a written or electronic submission on Form 13 or to the like effect into any Council Service Centre by the closing date **5pm Thursday 4 December 2014**, and promptly send a copy to the applicant's service address. Your submission should be addressed to Planning Department, Selwyn District Council, PO Box 90, Rolleston 7643 or emailed to submissions@selwyn.govt.nz.

This notice is issued under Section 95A of the Resource Management Act 1991.

Controlling Rubbish at Subdivision Sites

If you are involved in work on a construction site, please be aware that you are responsible for picking up any rubbish that occurs as a result of construction. During the springtime, strong Northwest winds often occur, and you will need to tie down and cover skips to prevent rubbish being blown to neighbouring properties.

You should check the site and remove any loose pieces of plastic that could fly away. Dust can also be a problem when dry weather is combined with strong winds, and you may need to dampen down soil. Your resource consent may also list specific actions you need to take on site.

Council's Environmental Health staff have been making site visits and speaking to building contractors about this issue to check that they are keeping sites as tidy as possible and picking up any rubbish that has spread elsewhere. These visits are being undertaken to help prevent activities at building sites affecting neighbouring properties. Environmental Health officers can be contacted by phoning 03 365 1667 for advice or to register complaints.

Prebbleton Community Association Inc. AGM – Constitution Amendment

An amendment to the constitution of the Prebbleton Community Association Inc is to be made at the Annual General Meeting which will be held in the Supper Room of the Prebbleton Public Hall on Tuesday 11 November at 7.30pm.

The amendment relates to the Prebbleton Community Cottage and can be seen before the meeting by contacting the Secretary of the Prebbleton Community Association.

Unit for rent – Darfield

Get Crafty at Rolleston Library

Do you want to learn to crochet? Come along to the next Rolleston Craft Group, from 6.30 – 8pm on Thursday 13 November, and have a go. The craft group meets on the second Thursday of each month at Rolleston Library. All welcome.

MICROCHIPPING CLINIC

If your dog was first registered after 30 June 2006 and is not a working dog, the law requires them to be microchipped. This free monthly service is available at the following places.

Friday 7 November

- Lincoln 9am – 9.30am
- Leeston 10.15 – 10.45am
- Darfield 11.30am – 12pm
- Rolleston 12.45 – 1.15pm

Please note:

- All clinics last for only half an hour.
- The Rolleston venue is in Norman Kirk Drive (off Rolleston Drive).
- Microchipping will not take place if wet.

If you have any questions regarding microchipping, please contact Tracey Wheeler on 347 2800 or 318 8338.

The Dog Park will also be closed on Saturday 22 November from 7.30am – 5pm for an Agility Ribbon trial. You are welcome to come and watch but your dog must be on lead. Thank you.

Guy Fawkes Night 2014

The New Zealand Fire Service has the following safety advice for anyone planning to use fireworks:

- ★ Read and follow instructions on fireworks before using them. Read instructions with a torch (not a naked flame)
- ★ Light fireworks in a wide open area away from anything that could catch fire
- ★ Fireworks, alcohol and drugs are a dangerous combination
- ★ Never let a child light fireworks
- ★ Keep a bucket of water or a hose handy
- ★ Keep unlit fireworks in the bag until you are ready to use them
- ★ If one of your fireworks doesn't go – throw it away. Don't attempt to reignite it
- ★ Burns should be run under cold running water for at least 20 minutes
- ★ Fireworks are noisy so please be considerate of your neighbours. Keep pets inside as they may be frightened by the noise.

Bonfires are not permitted in Selwyn as a Restricted Fire Season is in place.
