Get to know your Neighbours during Neighbourhood Week

Neighbourhood Week takes place from 24 October – 2 November and it's a great chance for people to get to know their neighbours.

"Once you know your neighbours you are able to help each other in an emergency and it can also be a great way to develop new friendships and make your neighbourhood a safer and more caring place to live," says Nicola Ogden, Selwyn District Council's Community Development Team Leader.

"You might also discover it has benefits like being able to share backyard equipment, childcare, recipes, transport or help your children to meet new friends next door."

To support Neighbourhood Week, the Council has small grants available to help

fund neighbourhood events. The grants can help contribute to the cost of hosting events like barbeques, picnics, cricket matches, a treasure hunt, or a neighbourhood fun day.

Events can be held any time during October or November. The grant is paid after the event has been hosted and receipts must be provided as evidence of expenses.

For ideas about what your neighbourhood event could be and to find out more about the grants visit www.selwyn.govt.nz/neighbourhood or contact Nicola Ogden on 03 347 2800 or 03 318 8338 or email nicola.ogden@selwyn.govt.nz. Applications for neighbourhood event grants close Friday 21 November 2014.

Do you ever feel you do not know your rights or where to get help?

Call 03 317 9438, 03 318 7465 or 0800 367 222 or call into the office on Tuesday 10am – 2pm at the Darfield Library.

Citizens Advice can help you

Fully trained advisers will listen and provide options for you to solve your problems.
