

# Look out for stop sign changes

The intersection of Bealey and Highfield Roads is one of many locations around Selwyn where stop signs have recently replaced give way signs

60 new stop signs and five give way signs have been installed around the district on both urban and rural roads. Most of the new stop signs replace existing give way signs.

Some of the roads where a number of stop signs have been installed are at intersections along:

- Bealey Road
- Lochheads Road
- Aylesbury Road
- Leeston and Lake Road
- Old Tai Tapu Road
- Leeston Taumutu Road
- Southbridge Sedgemere Road

Some busy intersections in local townships where stop signs have been installed to replace give way signs are:

- In **Leeston** at the intersections of: Leeston and Lake Road and High Street, Station Street and Leeston and Lake Road, Cunningham Street and High Street, Pound Road and Market Street
- In **Lincoln** at the intersections of: James Street with Boundary Road and North Belt
- In **Rolleston** at the intersections of: Lowes Road with East Maddisons Road, Lowes Road and Rembrandt Drive, Levi Road and Weedons Road, Rembrandt Drive with Brookside Road, East Maddisons Road with Goulds Road
- In **Tai Tapu** at the intersections of: Hauschilds and Lincoln Tai Tapu Roads, School Road and Forbes Road, Old Tai Tapu Road and Michaels Road
- In **West Melton** at the intersection of Jacqueline Drive and Lynley Drive

There are a number of other intersections in townships and rural areas where new signs are in place.

At a stop sign motorists need to come to a complete stop, check for traffic approaching the intersection and only proceed if the way is clear. At a give way sign motorists need to slow down and be ready to stop if there are other vehicles approaching the intersection.

## We want your feedback on ultra-fast broadband and mobile coverage

In July, Council submitted a proposal to the government requesting that it provide ultra-fast broadband in Darfield/Kirwee, Leeston Southbridge, and extend it to all areas of Lincoln/Tai Tapu.

The application also requests that broadband be improved in Malvern in the area to be covered by the Central Plains Water scheme, and that mobile phone access along State Highway 73 from Springfield to Otira be improved for locals, emergency services, tourists and tourism operators.

To support our application the Council is preparing a Digital Enablement Plan. The Plan will summarise Council and community actions to support improved broadband and mobile phone services.

Darfield/ Kirwee has been prioritised as the first area the Council has requested the government rollout ultra-fast broadband to. Meetings in Darfield and Springfield are planned to gather information from businesses and the community about what issues people are experiencing and what the Council could consider doing to increase fast broadband uptake, improve mobile phone coverage and increase people's digital skills and knowledge.

### The meetings are taking place at:

- Tuesday 18 August, 3.15pm, Springfield School  
For the public
- Tuesday 18 August, 5pm, Springfield School  
For businesses and farmers
- Thursday 20 August, 3.15pm, Darfield High School Library  
For the public
- Thursday 20 August, 5pm, Darfield High School Library  
For businesses and farmers

## Have your say on your town's future

The Council is working to develop area plans for Malvern and Ellesmere. These will look at how townships could develop and where housing, businesses, open space, community facilities and infrastructure could be located.

We asked some Malvern and Ellesmere residents what they liked about living where they are and how they wanted to see their town develop in the future. If you want to share your thoughts on these issues you can do so by attending a meeting (see details in the events column opposite) or submitting your comments online at [www.selwyn.govt.nz/areaplans](http://www.selwyn.govt.nz/areaplans). Comments are open until **Friday 28 August 2015**.

*I'm all for good change in Darfield. Our facilities are going to need to expand at the same rate as housing. We need another supermarket, and it would be nice to have a fruit and vegetable store and a bigger doctor's surgery to save people having to travel into the city.*

Kevin, Darfield

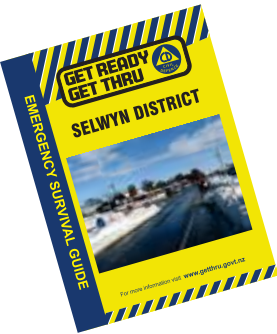

## Emergency survival guides out now

Emergency Survival Guides are being delivered to households in Rolleston, Lincoln, Leeston, Prebbleton, West Melton and Darfield this week.

The guides have information on what you should do in different emergencies such as an earthquake, fire, flood or storm. They also have advice on what you can do now to ensure you are ready to respond to a disaster as well as a household emergency plan which you can complete.

When you receive your guide it is a good idea to take the time to read through it, meet and discuss your household emergency plan with your family and write down what you would do. You can keep the guide for future reference.

Households in other Selwyn townships and in the district's rural areas will also be getting a copy of the guide. Guides will be delivered to these households during August and September. Copies of the guide are also available now from Selwyn libraries.

*We need more activities for young adults in Leeston. Also we need frequent and affordable buses. The price and the time it takes to reach the city isn't worth it.*

Shelley, Leeston

### NOTICE OF REQUIREMENT FOR DESIGNATION

*Chorus New Zealand Ltd and Spark New Zealand Ltd, Partially Operative Selwyn District Plan, First Schedule Part I of the Resource Management Act, 1991*

**Public notice** – summary of submissions and call for further submissions

A summary of submissions, along with copies of original submissions, on the above proposed change to the Selwyn District Plan are now available from Council Service Centres, libraries and at [www.selwyn.govt.nz](http://www.selwyn.govt.nz).

Further submissions may only be lodged by the following:

(a) any person representing a

relevant aspect of the public interest; and

(b) any person that has an interest in the plan change greater than the interest the public has; and

(c) the local authority itself.

Further submissions must be limited to matters either in support of, or in opposition to, an original submission made on the above plan change. This must be in writing and in accordance with form 6, which is available from council service centres or on our website. Further submissions must be served on Selwyn District Council in one of the following ways:

Posted to: Planning Department, Selwyn District Council, PO Box 90, Rolleston 7643

Delivered to: A Council service centre in Darfield, Lincoln, Leeston or Rolleston.

Faxed to: (03) 347 2799 (if you fax your submission please post or deliver a copy to the details above)  
Emailed to: [submissions@selwyn.govt.nz](mailto:submissions@selwyn.govt.nz)

A person who makes a further submission must serve a copy of it on the person who lodged the original submission no later than five working days after a copy is provided to Selwyn District Council. The closing date for further submissions on the above plan change is 5pm **Tuesday 1 September 2015**.

For further information on this plan change or the above process, contact Ben Rhodes on 03 347 2824.

### DOG MICROCHIPPING

If your dog was first registered after 30 June 2006 and is not a working dog, the law requires them to be microchipped. This

free monthly service is available on **Friday 21 August** at:

· Leeston – 9-9.30am  
· Darfield – 10.15-10.45am  
· Rolleston – 11.30am-12pm  
· Lincoln – 12.45-1.15pm

Please note:

· All clinics last for half an hour  
· The Rolleston venue is Norman Kirk Drive, other locations are outside libraries  
· Microchipping will not take place if wet.

If you have any questions, please contact Tracey on 347 2800 or 318 8338.

### SPORTS PEOPLE WANTED FOR COMMITTEE

The Council's Sport New Zealand Rural Travel Fund Committee is seeking applications from residents from Ellesmere and Springs Wards to become members.

The committee meets twice a year to consider funding applications from clubs seeking assistance with travel costs to local competition matches. The positions, which last three years, are unpaid, but travel expenses are reimbursed.

The ideal candidate will have been actively involved in sport and/or sports administration, have an overview of sport/recreation in Selwyn and will be keen to encourage and promote sport.

Applications in writing, including details of sporting/sporting administration involvement must be received by 5pm **4 September 2015**. For information on submitting an application please visit [www.selwyn.govt.nz](http://www.selwyn.govt.nz), email [stuart.westoby@selwyn.govt.nz](mailto:stuart.westoby@selwyn.govt.nz) or phone 347 2800.
