

## Learn a new skill for free

Selwyn District Libraries offer free access to the world's largest source of tutorial videos on software, technology, creative and business skills taught by industry experts from across the globe. All you need is a valid Selwyn District Libraries card and you can learn anything from business project management skills, to photography and lots more.

Lynda.com offers over 150,000 videos ranging from basic training to in-depth, technical skills. New skills you can learn by watching a Lynda.com video include PhotoShop, 3D animation, website development, how to play the guitar, Excel spreadsheets and how to develop your career.

You can log on to Lynda.com on any device from [www.selwynlibrary.co.nz/online/research](http://www.selwynlibrary.co.nz/online/research). To log in you need your Selwyn Libraries membership number and your library PIN/password. Your library pin is the last four numbers of your library membership unless you have changed this. If you don't know your PIN /password please ask our friendly library staff – (see [www.selwynlibrary.co.nz/about-us](http://www.selwynlibrary.co.nz/about-us) for library contact details).

The tutorial videos are broken down into sub-topics, with each sub-topic listed down the left hand side of the screen, allowing you jump to whatever section of the video you want to view. Below the video is a transcript of everything being said in the video, so you can read along as you listen or copy the text for future reference.

The videos are downloadable giving you the option to watch the video at any time, even if you're not online. Some tutorials also offer downloadable example files.

Once you've completed a full tutorial, Lynda.com will issue you a certificate to prove that you have completed the training which you can include on your CV or show to your employer.

## Ellesmere garden waste day

On **Saturday 19 November** between 10am and 4pm, Selwyn residents will have the opportunity to dispose of green garden waste at Cemetery Pit. Cemetery Pit is on Southbridge Leeston Road, between Southbridge and Leeston.

This is a great chance to get rid of garden prunings, tree trimmings or weeds over springtime. It costs \$5 per car, \$10 per ute or single axle trailer and \$15 per twin axle trailer to dispose of garden waste on the day. General rubbish, soil, flax, cabbage tree leaves, trees or branches over 10cm in diameter can't be disposed of through this service. Payment is by cash only (no EFTPOS is available). Proceeds from the event will be donated to Ellesmere Heritage Park.

## Funding supports local events

\$50,000 was recently provided by the Council from its Events Fund to support 14 local events.

A range of local events received funding including Darfield Artweek, the NZ Ploughing Association Championship, Waihora Community Fireworks Display, the South Island Dairying Development Centre Dairy Farm Open Day, Hororata Highland Games, Koru Games, Selwyn Running Festival, Children's Day, Rolleston Community Fireworks and the Waitangi Day Community Country Picnic.

The fund was established in 2013 to support community events held around the district which are open to the public; attract local, regional and international visitors; and promote the Selwyn district. Local events help make Selwyn a great place to live in and the funding helps supports community organisations who organise the events.

## On the roads this week

Road repairs will take place on Newtons, Hoskyns and Weedons Ross Roads, with the roads remaining open with traffic controls operating. Road reconstruction work continues on Deans Road, with traffic controls operating. Footpath repairs will occur on Petticoat Lane and Greenan Place in Doyleston.

and the incoming committee meeting, election of Chairperson, Secretary and Treasurer. The rules governing the committee are available at [www.selwyn.govt.nz](http://www.selwyn.govt.nz) under Council/Community Committees, Election process or from the Council.

SPORT NEW ZEALAND RURAL TRAVEL FUND

Sport New Zealand Rural Travel Funding is available for Selwyn sport teams who need to travel to local competition games and have members aged 5-19. School competitions in school time are not eligible. This funding round is for summer sports only. For information contact Stuart on 347 2708 or email [stuart.westoby@selwyn.govt.nz](mailto:stuart.westoby@selwyn.govt.nz). Applications close Friday 25 November.

DISRUPTION TO WATER RACE SERVICE – ROLLESTON

Council contractors will soon start piping the Tennyson Street water race between Kidman Street to south of the Rolleston School. This is part of a series of roading upgrades planned as part of the Rolleston Town Centre Master Plan starting with providing a roundabout at the intersection of Tennyson Street, Byron Street and Kidman Street. Piping of the water race will enable a

new footpath to be installed and parking improvements to occur along Rolleston Schools' frontage, which will then progressively extend south along Tennyson Street over time. Schick Construction will be undertaking water race works between 21 November and 22 December 2016. Work will recommence in late January until the end of February 2017. Water race users will experience a reduced water race supply during this time as pumps will be used to divert water around the work site. Questions relating to this disruption should be directed to the Council on 347 2800.

ALCOHOL LICENSE APPLICATIONS

Applications have been received for: a club licence renewal from the Rhodes Park Combined Sports Bodies Inc, an on licence renewal from Halycon New Zealand Co., and an off licence renewal from Straight 8 Estate. Applications are open for submissions until 22 November. An application for an on licence has been received from Dunsandel Store which is open for submissions until 16 November. See [www.selwyn.govt.nz/alcoholnotices](http://www.selwyn.govt.nz/alcoholnotices) for details.
