

Is your child's school signed up to Get Spotted? If so, they may get spotted doing the safe thing during the start of Term 3. Keep an eye out at your school for the Get Spotted poster. Children spotted showing safe behaviour when heading to or from school could earn a reward.

Selwyn District Council School Road Safety Coordinator Stephanie Hautler says the idea of the programme is to positively reinforce good road safety behaviour. "It has been developed to recognise learners that are doing the right thing in terms of road safety awareness, by teachers awarding a small token such as a sticker or wrist band."

This flexible campaign is available for schools and early-childhood educators based around their needs.

For more information please email stephanie.hautler@selwyn.govt.nz or phone 347 2705.

Relax and recover with hydrotherapy

The hydrotherapy pool is one of the key features of the Selwyn Aquatic Centre. Maintained at a balmy 35 degrees, it is designed to be used as a gentle and effective aid for pain relief or muscle tension.

It's perfect for people rehabilitating from illness or injury, those who face challenges with their mobility, or for general well-being and relaxation.

The pool measures 16mx6m, has a depth ranging from 1.2m–1.8m, has a wheelchair accessible ramp, and is supervised by lifeguards at all times. It's recommended if you are using the hydrotherapy pool for medical reasons you check with your doctor first. You'll need to bring drinking water with you to stay hydrated.

The hydrotherapy pool is available for general use during Selwyn Aquatic Centre's opening hours: Monday–Friday, 6am–9pm and Saturday–Sunday between 8am–8pm.

For more information about the hydrotherapy pool or any of Selwyn Aquatic Centre's services please phone 347 2734 or email sac.enquiries@selwyn.govt.nz.

Try something new at...

Have a go day

Have a Go Day will take place on Sunday 27 August between 12pm and 3pm at the Lincoln Event Centre and Domain.

This free annual event showcases the variety of sport and recreation activities available in Lincoln and the wider Selwyn district.

Nearly 30 indoor and outdoor sports, activities, games and challenges are planned. Girl guiding, CrossFit, archery, basketball, table tennis, bouncy castles, dodgeball and indoor bowls are just some of what's on offer.

Complete five challenges to get your Have a Go Day passport stamped and enter the main prize draw for a chance to win \$250 in sport vouchers! Passports will be available to collect on arrival.

Enjoy live music, with coffee and a sausage sizzle provided.

LEGO™ Clubs are coming to Selwyn Libraries!

We're excited to announce the opportunity for Selwyn kids to join the LEGO™ Club at Lincoln and Leeston Libraries.

Once a month experts from the House of Bricks will host fun, interactive after-school sessions at both libraries for kids wanting to try their hand at building LEGO™ creations. Session times are:

- Lincoln Library, first Wednesday of each month, beginning 2 August, 3.30–4.30pm
- Leeston Library, third Monday of each month, beginning 21 August, 3.30–4.30pm

The sessions are free but to join the club please contact the library at libraries@selwynlibraries.co.nz or phone Lincoln Library at 347 2876 or Leeston Library at 347 2871.

Sessions are held during term time only and are recommended for primary-aged children. Children under eight years of age must be accompanied by an adult.

On the roads this week

After the weekend's wet weather there are many new potholes on the roads. Council's contractors are out doing repairs as quickly as possible, but we also ask residents to report potholes and any other roading issues through our Helpline 347 2800 or the Snap, Send, Solve app. Your patience and caution on the roads will be appreciated by all road users.

The intersection of Hoskyns Road and Sandy Knolls Road is being upgraded and a change of priority will occur so that traffic approaching from Sandy Knolls Road will need to stop. Traffic delays may occur and detours may operate while the upgrade occurs.

Construction of a right-turn bay is continuing at the intersection of Dynes Road and Springston Rolleston Road, with traffic controls in place at this location. Care is needed when driving through the site.

Unsealed road maintenance will occur on Malvern Hills Road.

Footpath construction will be occurring on Liffey Springs walkway.

Sewer line installation work is continuing on Shands Road and Selwyn Road – traffic delays may occur due to this work.

Christchurch Southern Motorway Extension – NZTA

From Monday 24 July the CSM2 project team continue to fell trees along the north-bound side of Main South Road between Weedons Ross Road and Curraghs Road. This will be carried out using Stop/Go setups between 9am and 4pm and will create queues. We recommend allowing more time for your journey or using alternative side roads.

DOG REGISTRATION

Don't forget to pay your dog registration fee by the end of this month. On 1 August 2017 the discounted fee will no longer apply. All dogs older than three months must be registered every year under the Dog Control Act 1996.

A \$300 fine is payable for an unregistered dog.
If paid by 31 July 2017 the discounted fee is \$30 for each dog owned by the same owner at the same locality plus a \$10 administration/owner fee (incl. GST). For payments after 31 July the full registration fee is \$40 for each dog owned by the same person and held at the same locality plus a \$15 administration/owner fee (incl. GST).
The 2017/18 fee may be paid via a payment link when the form is emailed, internet banking, at our Rolleston Headquarters or the service centres in Leeston, Darfield or Lincoln. Alternatively, you may use the prepaid return envelope provided with your registration form.

Lincoln Event Centre, 8–10pm
The third movie night helping you get through the winter months. A concierge teams up with one of his employees to prove his innocence after he is framed for murder. We recommend viewers age 15+. For more details visit facebook.com/SelwynDistrictCouncil/

Tai Tapu – a community on the rise

It takes a community with resilience, enthusiasm and energy to regroup after a disaster and find funding for new local facilities.
Community efforts towards the new Rhodes Park community and sports facility and play centre in Tai Tapu are testament to this. The construction of the Rhodes Park facility is set to begin in early August and is expected to be completed by June 2018. The new play centre build is completed and running, with a bit of landscaping to finish.
Selwyn District Council Property Manager John Reid says thanks to the community's creative funding and planning approach, a new facility will replace the original community hall in the township and the sports pavilion at Rhodes Park, both of which were outdated and suffered damage in the 2010–2011 earthquakes.
"I'm full of admiration for what this community has been able to achieve through the development of a shared, future-focused vision, backed up by sheer hard work," Mr Reid says.
"A number of different community groups with different views have come together to develop a solution that doesn't replicate an outdated facility provision model, but is future-focused and based on the community's needs."
The old hall site in the township has been retained, and the Tai Tapu Playcentre has developed a new facility there which includes a playground that the whole community can enjoy.
"The new community and sports facility at Rhodes Park will be used for meetings, social events and functions as well as providing a venue for local sports groups," says Mr Reid.
The Selwyn District Council investment in the Rhodes Park facility has been complemented by funding from the Rātā Foundation and the Lotteries Commission as well as locally-raised funds.

An artist's impression of the new community and sports facility in Rhodes Park.
