

## Are you prepared for the rest of winter?

Rain, wind, snow – you never know what's around the corner, so make sure you, your family and the wider community are prepared.

Winter is a volatile time of the year but emergencies can happen anywhere, any time, and without warning.

Sign up to Selwyn Gets Ready and receive emergency warnings and police messages to your email address as well as urgent messages which are sent straight to your phone for free. You will only receive messages relevant to you and the area where you live.

Selwyn Gets Ready also has a website with information on who may need extra assistance in an emergency and what skills and resources are available in your neighbourhood. We want every household in Selwyn to be part of Selwyn Gets Ready.

Sign up today at [www.selwyn.getsready.net](http://www.selwyn.getsready.net). For more information contact us at [getsready@selwyn.govt.nz](mailto:getsready@selwyn.govt.nz) or phone (03) 347 2800.

Take a moment to learn about emergencies, how to prepare for them and get through. Visit [www.selwyn.govt.nz](http://www.selwyn.govt.nz) and look under the 'services' tab for Civil Defence information.

## Registrations of Interest called for CultureFest 2018

Selwyn's awesome multicultural festival, CultureFest, is returning in September – and we're looking for groups to get involved.

If you're part of a group or agency involved with one of the many cultures and ethnicities that make Selwyn and New Zealand great, we'd love to hear from you.

In partnership with the Christchurch Multicultural Council, we're seeking interest from dance, song or cultural performance groups to perform on our main stage at this year's CultureFest event, to be held at Lincoln Domain and Event Centre on Sunday 30 September – the more vibrant the better!

We're also seeking interest from cultural and ethnic art and craft stalls as well as groups or agencies providing services and activities for Selwyn residents and have something to offer our newcomers and migrants.

One of the best parts of CultureFest is the amazing range of food options. If you want to be a food vendor at CultureFest 2018, get in touch. We want as many cultures as possible to be represented.

If this sounds like you, then please download the Registration of Interest form from the Selwyn District Council website at [www.selwyn.govt.nz/events](http://www.selwyn.govt.nz/events). Forms are due by Friday 10 August.

## On the roads this week

Unsealed maintenance metalling is being undertaken on Brookside Road, Thomsons Road and Hoskyns Road (SH73 to Station Road). Unsealed repairs are being carried out on Midhurst Road, Coaltrack Road and Scotts Road. Please drive with care through all sites.

Footpath repair work is being undertaken in Kirwee with some sections of the footpath closed.

Maintenance grading will be taking place in the Hororata, Glenroy, Southbridge, Doyleston, Greendale and Coalgate areas.

Drivers on Wards Road will be asked to stop on request, as stabilised seal repairs are completed on Wednesday and Thursday.

## West Melton Community and Recreation Centre nearing completion.

The new community centre – which has recently had the roof and façades installed – is expected to be completed in October this year.

By the time of completion construction would have taken 13 months, with it starting in September 2017.

The new community centre will have a meeting space, indoor sport facilities, a scout hall, Plunket room, a play centre as well as the ability to adapt to other community activities.

The \$5.8 facility replaces the old community hall which had sustained earthquake damage. The new community centre is much larger, and is better designed to cope with the needs of a growing population.
