FLUSH YOUR TAPS

Some plumbing fittings have the potential to allow minute traces of metals to accumulate in water standing in the fittings for several hours. Although the health risk is small, the Ministry of Health recommends that you flush a mugful of water from

your drinking-water tap each morning before use to remove any metals that may have dissolved from the plumbing fittings. We are recommending this simple precaution for all households, including those on public and private water supplies. This notice is issued by Selwyn District Council on behalf of the Director-General of Health, Ministry of Health.

FOSTER DOG PARK CLOSURE

The Foster Dog Park will be closed from Saturday 21 – Sunday 22 April for a dog agility show being held by the Selwyn Dog Training Club.

Take up the STEM Challenge!

Selwyn District Libraries have plenty of fun free activities available to keep kids busy these school holidays. The STEM Challenge includes science, technology, engineering, and mathematics themed sessions and takes place 16–28 April.

House of Bricks – Simple Machines

Work with LEGO® kits to design various small machines such as zip line runners, racers, the 'annoy-o-matic' and more. TECHNIC® and general LEGO® will also be available.

Free – no bookings required, but spaces are limited. Recommended for ages five and above.

3D Challenge

What is 3D, and how do you make something three dimensional? Challenge yourself to create a 3D structure using engineering skills and simple materials. What will you come up with?

Free – no bookings required, but spaces are limited. Recommended for ages 5–10.

Makerstations

Use our Makerstations to create wonderful things – create from one of our templates, or use your imagination to make something unique!

Free – no bookings required, but spaces are limited. Recommended for ages five and above.

Fun with Robots

Solve different challenges and get your bot moving!

Free – bookings essential. Go to selwynlibraries.co.nz. Recommended for ages five and above.

CodePlay

These activities will focus on fun! Join us to play games and try challenges that help you develop coding skills.

Free – bookings essential. Go to selwynlibraries.co.nz. Children attending must be able to read and write fluently. Recommended for ages seven and above.

Children under eight years must be actively supervised by an adult for all sessions.

See www.selwynlibraries.co.nz for session times and locations.
