## Calling all aspiring fashionistas

Dreaming of becoming a fashion designer, merchandiser, or stylist? Selwyn District Libraries are hosting two four-week courses in Term 2 which can help make that dream a reality. The course is suitable for ages 13–18.

Learn the elements of a basic fashion design sketch and start to develop your own croquis. This course teaches you to understand, analyse, and draw, female fashion figures. You'll learn how to develop your design ideas as fashion sketches and explore the basic silhouettes used in fashion design and how to represent clothing simply and effectively.

Free but bookings required – see [www.selwynlibraries.co.nz](http://www.selwynlibraries.co.nz) for more details.

## Council Services on ANZAC Day

Rubbish and recycling normally collected on Wednesday 25 April (ANZAC Day) will be collected on Saturday 28 April.

Pines Resource Recovery Park will be open from 1–4pm.

Selwyn District Libraries and Council's Rolleston Headquarters will be closed.

The Selwyn Aquatic Centre will be open from 1–8pm.

The Rolleston Community Centre is closed for ANZAC Day commemorations.

The Lincoln Event Centre is open from 10am–5pm, with an ANZAC Service taking place at 2pm.

The Council's Helpline is available 24/7 on 347 2800 or on our website.

## Selwyn Arts Directory – register your listing now!

Arts, Culture & Heritage Selwyn is producing a free art guide for Selwyn. The directory will be distributed across Selwyn and Canterbury to let residents and visitors know about artists, arts groups, art tutors and galleries in the district.

Register your listing for free by Friday 25 May at [www.selwyn.govt.nz](http://www.selwyn.govt.nz).

## Malvern Community Recycling Drop-off Day

A Community Recycling Drop-off Day will take place in Darfield on Saturday 28 April, 10am–4pm at Hawkins Pit, on Cullens Road (off Bangor Road).

Garden prunings, tree trimmings and weeds will be accepted, as well as metals, bicycles, BBQs, small appliances, whiteware, tins, pots, pans, car tyres, 4WD tyres and child car seats. We don't accept general rubbish, flax, cabbage tree leaves, trees/branches over 10cm diameter, gas bottles, items containing oil/fuel, TVs, tyres on rims, tyres containing or covered in dirt, or polystyrene child car seats.

Please separate different waste streams. Only household amounts will be accepted (not commercial volumes). Garden waste costs \$5 per car, \$10 per ute or single axle trailer, or \$15 per twin axle trailer. Scrap metal drop-off is free. Tyres cost \$3 per car tyre, \$5 per 4WD tyre. Child car seats cost \$5 per seat to drop-off (please remove fabric covers). Cash only (no EFTPOS). A donation will be made to the Malvern Lions for their assistance at the event.

For more information phone 347 2800 or email [admin@selwyn.govt.nz](mailto:admin@selwyn.govt.nz).

## On the roads this week

Stabilised seal repairs will be occurring on Leeston Road and Wards Road. Tree removal will be carried out on Davidson Road. Reseals will occur on Bealey Road. Please stop on request at these sites. Footpath reconstruction will be carried out in Leeston.

Intersection upgrades are continuing at Masfield Drive/Rolleston Drive and Jones Road/Hoskyns Road. These upgrades mean road layouts may be altered. Traffic management is in place but you may need to expect delays if travelling through these areas.

FLUSH YOUR TAPS

Some plumbing fittings have the potential to allow minute traces of metals to accumulate in water standing in the fittings for several hours. Although the health risk is small, the Ministry of Health recommends that you flush a mugful of water from your drinking-water tap each morning before use to remove any metals that may have dissolved from the plumbing fittings. We are recommending this simple precaution for all households, including those on public and private water supplies. This notice is issued by Selwyn District Council on behalf of the Director-General of Health, Ministry of Health.

FOSTER DOG PARK CLOSURE

The Foster Dog Park will be closed from Saturday 21– Sunday 22 April for a dog agility show being held by the Selwyn Dog Training Club.

ALCOHOL NOTICES

An application for the renewal of a club license has been received from Rolleston Rugby Football Club Incorporated. Objections are open until Thursday 3 May. An application for an on license has been received from Gulati & Sapra Enterprise Limited. Objections are open until Monday 7 May. For more information please visit [www.selwyn.govt.nz/alcoholnotices](http://www.selwyn.govt.nz/alcoholnotices).

Meetings

Public Forums: Council, Community Board and local committee meetings are open to the public. Time is available at the start of meetings for people to speak on matters of concern. Please notify Bernadette Ryan or your local committee at least three days before the meeting. Township, Hall and Reserve Committees: To list or make changes to meeting details, email [meeting.changes@selwyn.govt.nz](mailto:meeting.changes@selwyn.govt.nz) or phone 347 2800 or 318 8338 by 9am Wednesday the week before publication.

Long-Term Plan looks at safe water supplies

What are your thoughts on whether chlorination should be considered as an option to protect the safety of drinking water supplies in some parts of Selwyn?

As part of its Long-Term Plan, the Council is seeking feedback on whether to introduce chlorination to some community water supplies.

Providing our communities with safe drinking water is a top priority for the Council. Across our 30 water supplies we currently use a variety of water treatment methods including secure ground water, Ultraviolet (UV) disinfection, selective abstraction and filtration, and chlorination.

Following the Government’s inquiry into the Havelock North drinking water contamination, the Council has accelerated its programme to install UV treatment on secure bores. Consideration is also being given to chlorination, to provide additional protection.

Chlorine provides residual treatment in the water reticulation system which UV does not provide, minimising the impact of any contamination which may enter the system. It is widely used in New Zealand and is already used on several supplies in Selwyn.

Although the Government’s position on chlorination is not yet known, the Council is seeking comment from the community on options for introducing chlorination to community water supplies. These are:

- 1. Introduce chlorination for supplies which would receive greatest benefit, based on a risk assessment
- 2. Introduce chlorination for all Council water supplies
- 3. No additional chlorination

The cost of water treatment is funded by the district-wide rate paid by all properties on a Council supply. The proposal to introduce limited chlorination, as in option 1, would increase the rate by \$10.

To find out more about this issue, and other proposals in our Long-Term Plan – and to share your views – visit [www.selwyn.govt.nz/fastforward28](http://www.selwyn.govt.nz/fastforward28).
