

SUMMER *in* SELWYN is back!

Check your letterbox this week for your events guide

Over 60 events are coming to the district as part of the 2018/19 Summer in Selwyn event programme, kicking off in December and continuing until late March. Selwyn residents will receive their Summer in Selwyn events guide in the mail this week.

There is something for everyone to enjoy this summer. Council-run events include two outdoor movies at Lincoln and Leeston and two drive-in movies at Rolleston and Darfield, starting with the Christmas classic movie Elf on Sunday 16 December.

Pool Parties will include a special Christmas Pool Party at the Selwyn Aquatic Centre, as well as parties at Darfield, Sheffield and Southbridge community pools. The ever popular Teddy Bears' Picnic will return to Rolleston Community Centre and Rolleston Reserve with jam-packed family fun.

Picnic in the Park events and Summer Skate/Scooter Jams are coming to eight locations around the district, while a new event – Summer 3X3 Basketball Jam – encourages anyone to jump into a game and have a go.

Other entertainment includes live music at local parks with A Month of Sundays in February. Residents can bring a picnic and relax while listening to an outstanding line-up of our local talented musicians at the Lincoln Green.

A number of Selwyn District Libraries events are also taking place over summer including craft and story book workshops, Summer Reading Bingo and games challenges, spurring on multi-generational fun.

A great range of community-organised events are on offer too, including Christmas parades, fêtes and picnics, and fitness-related events.

For a list of Summer in Selwyn events, visit facebook.com/summerinselwyn or selwyn.govt.nz/events.

Brought to you by Selwyn District Council and proudly sponsored by Spectrum Lighting and Sound, Faringdon and New World Rolleston.

Community pools open for summer season

Darfield, Sheffield and Southbridge Community Pools are now open for summer. Currently these pools are open from 3.30–7pm but will be open from 1–7pm over the summer school holidays.

This summer, season passes to Sheffield pool are available for \$70. These are available from committee member Rachel Benny, phone 027 613 4716. Casual swims are \$2 at Sheffield pool, payable to the lifeguard staff upon entry. Information on admission prices and activities at Darfield and Southbridge is available at these pools.

For more information visit selwyn.govt.nz/communitypools.

Boost Out family celebration

We're celebrating the end of our youth programme BOOST2018 and we want you to join us!

BOOST Out is an action-packed evening featuring food trucks, a skate jam, graffiti art and live entertainment from Selwyn youth bands.

This is an event for the whole family. It will be hosted in the Rolleston Reserve at 6–8.30pm on Friday 7 December. Don't miss out on the fun!

BOOST2018 took place during the October school holidays and featured a range of events, activities and workshops to entertain, empower and develop Selwyn's youth.

Proposed trial of bus services for Darfield and Leeston

The trial of two new bus services for the Selwyn district is being proposed.

The Council and Environment Canterbury are asking for feedback on two proposed trial bus services; one between Leeston and Christchurch, and the other between Darfield and Christchurch.

Environment Canterbury Senior Manager Public Transport Stewart Gibbon says they need to know if the community agrees there is a need for a daily commuter service.

"As part of its Long-Term Plan, Selwyn District Council has committed to funding one return bus service daily during the working week, on a trial basis, as long as the community agrees there is a need for such a service, and is prepared to support it," says Gibbon.

"We are asking for input from the community on if they would use such a service, as well as the times and pick up/drop off locations for the trial services that would best meet their needs."

Selwyn District Council Asset Manager Transportation Andrew Mazey says the services area a response to growing communities.

"There is a need for improved connectivity to Christchurch for those living in Darfield and Leeston that doesn't just rely on using private motor vehicles. These routes will provide a number of people with an alternative way to connect to Christchurch for a range of purposes like education, health services and employment."

It is proposed that the Leeston service would travel to central Christchurch via Doyleston, Irwell and Springston. The Darfield service would go via Kirwee and West Melton to the city. The trial services are intended to start from January 2019 for a six-month trial period.

Brochures with feedback forms will be delivered to residents this week and will also be available at both the Leeston and Darfield libraries and service centres. People can also complete the survey online at metroinfo.co.nz. The survey is open until Tuesday 11 December.
