PRIVATE PLAN CHANGE REQUEST 68 (PREBBLETON): CALL FOR FURTHER SUBMISSIONS

Urban Holdings Limited, Suburban Estates Limited and Cairnbrae Developments Limited have requested to rezone approximately 67 ha of rural land in Prebbleton to residential land. Selwyn District Council notified the private plan change request (PC68) for public consultation on 15 September 2021, and submissions closed on 12 October 2021. A summary of the submissions, along with a copy of the original submissions, on the above proposed changes to the Selwyn District Plan are now available for viewing at selwyn.govt.nz/pc68. Further submissions are limited to supporting or opposing an original submission. They may be lodged by any person

representing a relevant aspect of the public interest or who has an interest in the private plan change greater than that of the public. Information on how to make a further submission is available at selwyn.govt.nz/pc68.

TENDER FOR LICENCE TO OCCUPY - PREBBLETON

Tender is sought for a Licence to Occupy a parcel of vacant Council land, for a term of 5 years. The land is approximately 2 hectares and situated at Shands Road, Prebbleton. The land's legal description is Reserve 263. The tender is for pastoral or arable/grazing activities and excludes cattle or pigs. The successful tenderer is responsible for the payment of rates on the land. A copy of the plan can be viewed at selwyn.govt.nz/property-and-building/rental-properties. If you would like to

submit a tender, please email property@selwyn.govt.nz to request a tender pack, or phone 0800 SELWYN (735 996) and ask for the leasing team. Tenders close strictly at 5pm on Friday 17 December 2021 and must be submitted on the appropriate form contained in the tender pack. Submissions made in an incorrect format will not be accepted.

Almost 10 kilometres of Darfield Kirwee pipeline laid

Almost 10 kilometres of the Darfield Kirwee wastewater pipeline have been completed, with the pipeline now a third of the way built. Over 14,000 worker hours have been completed so far to install the 26.5 kilometre pipeline allowing Darfield and Kirwee to connect to the Pines Wastewater Treatment Plant with the pipeline on track to be completed by August 2022. The project is part of the Council's Long-Term Plan 2021-2031. The project is supported by \$10.66 million of government funding, and is providing jobs for over 40 people. It will allow businesses on the main streets and new developments in Darfield and Kirwee to begin connecting to the Pines Wastewater Treatment Plant. The Council will hold further discussions with the wider Darfield and Kirwee community about connecting to the pipeline in the future. Work has largely been completed along Burnham School Road from the Pines Wastewater Treatment Plant and Aylesbury Road between Two Chain Road and Wards Road, and work is continuing on Miles Road. For the latest updates, including a live tracker of work completed, visit selwyn.govt.nz/darfieldkirweewastewater.

Covid-19 'traffic lights' system coming

Aotearoa is moving to the new Covid-19 protection framework or 'traffic lights system' from 11.59pm Thursday (2 December). This will mean changes for how residents access Council services. At the time of writing the decision from Government as to what traffic light level we will be in here in Waikirikiriri/Selwyn is unknown. Details around how the traffic light system will affect access to Council services will be available at selwyn.govt.nz/covid19. While we hope the majority of these impacts will be clear, like the rest of the country, there are some complex issues that may take us a little longer to work through. We are grateful for your patience while we all adjust to the new system.
