Tai Tapu	8.30am Flag raising at Primary School 9am District War Memorial Service followed by wreath laying ceremony
West Melton	10am West Melton War Memorial Service followed by wreath laying ceremony

All change for changing at the Selwyn Aquatic Centre

New changing rooms will be available in coming weeks at the Selwyn Aquatic Centre as the extension moves towards completion.

The majority of the existing changing rooms will be reopened by 4 May. These include the two accessible changing rooms, three family changing rooms and the male changing rooms all due to reopen.

In addition five new family changing rooms and a new family accessible changing room will be opened, along with new smaller male and female overflow changing rooms next to the aquatic centre extension.

The existing female changing rooms are still undergoing maintenance work and are expected to be ready to reopen in early June. The portacom changing rooms that are currently in place will remain as long as required and people are encouraged to seek advice from staff on the day for the best option for changing.

The new 10-lane, 25-metre pool and new increased foyer, retail area and multi-use rooms will open in early June.

On the Roads

Repairs are taking place on the Waimakariri Gorge Bridge. Pavement repairs are taking place on The Lake Road between Harts Road and Tramway Reserve Road and on Brookside Road between Burnham School Road and East Maddisons Road. Traffic management is in place for these works.

This way... Our map for the next 10 years

Over the next few weeks we'll be highlighting eight big decisions we need your help with as part of the Long-Term Plan consultation.

This week: drinking water and the future of the new Prebbleton Community Centre.

BIG DECISION 1

Keeping our drinking water safe (2021–2031)

We're responsible for providing a safe and reliable drinking water supply, through 27 water supplies which service close to 80% of residential properties in Selwyn – around 20,000 households. To meet community expectations and national drinking water standards, we must ensure that all Council supplies are treated to the required safe level.

OUR PREFERRED OPTION

Continue our current approach to maintaining safe drinking water supplies.

We will only chlorinate remaining non-chlorinated water supplies if our risk assessment or regulation require us to do so. We would maintain the current infrastructure to ensure that water supplies meet national water quality standards. However, as standards and requirements change, we cannot commit to increased spending to remain chlorine-free.

Cost

Around \$1 million in 2021/22

Impact on rates

Around 1% increase in water rates, or about \$4 a year for an average residential property.

OTHER OPTION Upgrade some supplies so that they can avoid chlorination.

This means we would need to improve some of our water infrastructure to meet water quality standards without relying on chlorine treatment. Costs, impact on rates and impact on debt would all be higher. Cost would be around \$30 million, with a 20% increase in water rates (about \$100 a year).

BIG DECISION 6

Future of the new Prebbleton Community Centre (2025/26)

A new Prebbleton Community Centre was proposed in the Long-Term Plan 2018–2028. To allow time to understand the exact needs and the best site, we're proposing to build the new community centre in 2025/26. Initial assessment indicates that a flexible facility, which can cater for a variety of uses and age groups, is needed.

OUR PREFERRED OPTION

Construct a new community centre.

This proposed centre would be a multi-purpose facility, suitable for many different types of functions, and for a range of users and ages. It would also include some specialised spaces.

Cost

\$6.3 million

Impact on rates

\$12 per year (already provided for within the Community Centres Targeted Rate).

OTHER OPTION Defer the project to outside the 10-year plan.

This option would have no impact on rates or debt, and the Community Centres Targeted Rate would reduce by \$12 per year.

Have your say now – go to selwyn.govt.nz/thisway2031

Tai Tapu – Old Tai Tapu Road from Christchurch Akaroa Road

to Forbes Road, 9–9.30am

PUBLIC NOTICE PRIVATE PLAN CHANGE 62

At its meeting on 24 March 2021, the Selwyn District Council resolved to accept the Commissioner's recommendation to approve in part Holly Farms (D Marshall, L Martin and A Formosa, M and T Saunders, B Hammett, and J and S Howson) request to rezone land to the west side of Leeston. The decision is to uplift the deferred status of land in Leeston and rezone to Living 1, along with 149 High Street, but excluding 31 Leeston Dunsandel Road, which will remain Living 2. The decision has legal effect from the date of this notice and the Operative District Plan is deemed amended in accordance with this decision. Anyone who made a submission on Plan Change 62 may appeal to the Environment Court against the Council's decisions. The full text of this decision can be read at Council's Rolleston Headquarters, and can be viewed online at Council libraries and service centres and at Selwyn.govt.nz/pc62, or by contacting the Strategy and

Policy Team on 0800 SELWYN (735 996). Appeals must be received by 5pm Thursday 27 May 2021.

PRIVATE PLAN CHANGE 59

At its meeting on 10 March 2021, the Council resolved to accept the Commissioner's recommendation to approve GW Wilfield Limited's request to amend the land use zoning from Living 2 and Living 2A Zoned land in West Melton to a new zone called 'Living WM South'. The decision has legal effect from the date of this notice and the Operative District Plan is deemed amended in accordance with this decision. Anyone who made a submission on Plan Change 59 may appeal to the Environment Court against the Council's decisions. The full text of this decision can be read at Council's Rolleston Headquarters, and can be viewed online at Council libraries and service centres and at Selwyn.govt.nz/pc59, or by contacting the Strategy and Policy Team on 0800 SELWYN (735 996). Appeals must be received by 5pm Thursday 27 May 2021.

Meetings

Public Forums: *Council, Community Board and local committees meetings are open to the public. Time is available at the start of meetings for people to speak on matters of concern. Please notify Therese Davel or Bernadette Ryan if you wish to speak at the Council meeting at least five days before the meeting.* Township, Hall and Reserve Committee meetings: *To list or make changes to meeting details, email meeting.changes@selwyn.govt.nz or phone 0800 SELWYN (735 996) by 9am Wednesday the week before publication.*

Help keep our drains flowing

With autumn here and wind and rain on the way, drains can quickly become blocked with leaves. You can help avoid flooding around your property and street by removing any leaves that are clogging drains. Council contractors do regularly clear drains, but leaves can quickly build up especially in windy conditions at autumn time. So build a leaf pile for the children, make mulch for the garden or just enjoy some time out in the fresh air helping out your street.

A checklist to making a difference in our communities – with Volunteering Canterbury

Tuesday 20 April, 10am–12pm
Lincoln Event Centre

Volunteering Canterbury will lead this seminar, taking a basic warrant of fitness to how your organisation recruits and manages their volunteer staff including board members.

The seminar will equip groups with key information that will keep their organisation moving forward. This interactive forum will enable each of the organisations attending to connect and learn from each other.

Volunteering Canterbury will have free membership to all those attending the seminar.

Please RSVP by Friday 16 April at [Eventbrite bit.ly/3mpFuso](https://www.eventbrite.co.uk/e/volunteering-canterbury-seminar-tickets-15085555555).

Selwyn Events

THURSDAY

15
APRIL

Home Brewing
Demonstration

Lincoln Library 6.30–8.30pm

Learn how to make your own great tasting all-grain beer from scratch. This Brew Academy session is designed for those with little to no brewing experience. Free. RSVP at selwynlibraries.co.nz if you wish to receive a reminder email.

17 APR–
2 MAY

Holiday Pool Fun

Selwyn Aquatic Centre, 2–4pm

Volleyball, leap pad, paddle boats, inflatable obstacle courses, every day these school holidays Selwyn Aquatic Centre has something for you. Normal pool admission applies.

SUNDAY

18
APRIL
