

## CultureFest a successful event enjoyed by many

**A massive crowd of 5,500 marvelled at the sounds, sights and tastes of cultures from every corner of the globe at this year's CultureFest.**

The annual event prides itself on bringing the diversity of Selwyn to Lincoln's backyard. Of the 51 different food sellers, several food stalls sold out.

Eighteen groups put on fantastic performances, with the audience packing out Nicholas Hall.

Mayor Sam Broughton says it was amazing to see people so excited to share their culture and customs with each other and celebrate all cultures that make up Selwyn.

"Thank you to every stall holder, cultural community

group and contributor that dedicated their time to make this event something to remember for the community. We are looking forward to seeing what next year's CultureFest holds."

The Council is already beginning preparations for CultureFest 2025, with hopes of attracting more cultures and people to its festivities.

Missed out on the CultureFest event?

Check out the upcoming events in the CultureFest series, with everything from henna art workshops to international sports, music and dance performances, Māori healing practice workshop and more. Visit [selwyn.govt.nz/culturefest](https://selwyn.govt.nz/culturefest)

## A swell return for our senior lifestyle expo

**Over 70 clubs, organisations and wellbeing providers from across the district are set to fill the Lincoln Event Centre for the annual Seniors' Lifestyle Expo; SWELL.**

This fun-filled event celebrates the wellbeing and inclusion of Selwyn's older residents, who can listen to insightful guest speakers, participate in lots of activities, and enjoy a variety of food vendors and local market stalls.

This year, the expo will be held on Tuesday 15 October from 9am-2pm at the Lincoln Event Centre.

## Discontinuance of Stockwater Races

We wish to advise of the intention to discontinue the following stock water races:

- 3.02 km in the Malvern scheme, Telegraph Road
- 2.2 km in the Malvern scheme, Telegraph Road
- 6.32 km in the Malvern scheme, Minchins Road
- 5.73 km in the Paparua scheme, Highfield Road

If you wish to make a submission, contact us on 03 347 2800 or email [surfacewaters@selwyn.govt.nz](mailto:surfacewaters@selwyn.govt.nz). Submissions close at 5pm Monday 7 October.

## Roadworks Updates

**As part of improving Selwyn's infrastructure, our contractors have started work on Monday 16 September, in Rolleston's Izone area to install a new watermain.**

Work will start on Izone Drive and the northbound lane from Jones Road will be closed, with a one-way system in place until 29 November. Lights or one-way systems will also be in place for periods on Jones Road (Nov-Dec), Walkers Road (Nov-April) and Two Chain Road (Jan-Jun).

Levi Road will re-open fully from 28 September ahead of the short-term closure of Lincoln Rolleston Road between Selwyn Road and Saker Place for the installation of wastewater pipes during the school holidays (29 Sept-13 Oct). There will also be resurfacing outside West Rolleston School over the holidays, with Dunns Crossing Road closed from Burnham School Road to Granite Drive (30 Sept-13 Oct)

Stage 2 of the Levi Road upgrade to replace the roundabout will start in November. The section up to Beaumont Drive will again become a one-way system, but alternate routes will remain open to allow traffic flow on Levi Road.

We will work hard to minimise disruption, but apologise for any inconvenience and ask for your patience and understanding. For more information on all road works, please visit [selwyn.govt.nz/roadworks](https://selwyn.govt.nz/roadworks)

## Volunteering Workshop

**Join us on Wednesday 2 October from 1-2pm at Te Ara Ātea in a workshop designed to empower your organisation in effectively welcoming and integrating newcomers.**

This session is perfect for organisations looking to expand their impact by tapping into the fresh perspectives and skills that newcomers bring.
