Tai Tapu residents asked not to flush

Flooding stormwater drains in Tai Tapu have overflowed into the sewerage systems and residents are asked to avoid flushing their toilets where possible.

Contractors are currently in the area with two trucks pumping sewage to drop levels.

Rain is predicted through until tomorrow morning and could continue to fill up drains.

Residents with any concerns should contact the Council Helpline, 03 347 2800 or 03 328 8338 (Darfield calling area).

Ends

For more information, contact Selwyn District Council Corporate Services Manager Douglas Marshall, 347 2701 or 027 4584 157.
