Selwyn Housing & Lifestyle Expo offers new options

The Selwyn Housing and Lifestyle Expo this weekend will offer all sorts of options for people looking for a sensational place to live.

The "Discover Sensational Selwyn" Housing and Lifestyle Expo at the Rolleston Community Centre on Saturday, April 28 (12noon – 4pm) & Sunday, April 29 (10am – 4pm) will include around 60 stands.

Hosted by the Selwyn District Council, the Expo features developers, house builders, banks, local businesses and tourism attractions and aims to promote the quality housing and lifestyle benefits of living in the district.

A competition for prizes supplied by exhibitors will be drawn at the end of each day and includes some fantastic goods and services.

Give the kids a chance to get up close to (and maybe have a ride on) a llama from Watford Grange Llamas, or expend a bit of energy on the bouncy castle!

Selwyn Housing & Lifestyle Expo kicks off at 12noon on Saturday and 10am on Sunday and closes at 4pm both days.
