Boil water notice – Arthur's Pass

Residents on Selwyn District Council's Arthur's Pass water supply are advised to begin boiling water.

A mains Power Outage has caused the Treatment systems to cease operating.

No E.coli has been detected in the water supply. However as result of the mains power outage, the Council cannot guarantee that the water is safe to drink and has issued a Boil Water Notice.

Residents should continue to boil water until notified that the boil water notice is lifted.

Anyone who shows any symptoms of sickness should visit their doctor as soon as they are able to.

The Council will continue to monitor the intake and reticulation system and keep residents informed of any updates.

Any updates to the boil water notice will be posted online at www.selwyn.govt.nz.
