Dispose of your Garden Waste at Darfield

On Saturday 5 December, Selwyn residents will have the opportunity to dispose of green garden waste at Hawkins Pit near Darfield.

“If you’re planning to clean up your garden in the spring or summer time this is a great chance to get rid of garden prunings, tree trimmings or weeds,” says the Selwyn District Council’s Solid Waste Manager Andrew Boyd.

It costs \$5 per car, \$10 per ute or single axle trailer, \$15 per twin axle trailer to dispose of garden waste on the day. Payment is by cash only (no EFTPOS is available).

General rubbish, soil, flax, cabbage tree leaves, trees or branches over 10cm in diameter can’t be disposed of through this service.

Hawkins Pit is located off Cullens Road just east of Bangor Road, about five kilometres from Darfield. The greenwaste disposal service will be operating on Saturday 5 December between 10am and 4pm. A greenwaste disposal day is also planned for the Ellesmere area early next year.

Proceeds from the event will be donated to the Malvern Lions Club.
