Selwyn Chief Executive to depart the Council in February

Selwyn District Council Mayor Kelvin Coe advises that the Council have agreed to release the current Chief Executive, Paul Davey, from his contract earlier to allow him to take up another career opportunity. He will depart the Council on 22nd February 2013 rather than at the end of June.

The Council has already advertised for Mr Davey's successor and, in the interim, the Environmental Services Manager, Mr John Christensen, will assume the role of Acting Chief Executive.
