TV2Kidsfest coming soon

TV2Kidsfest is coming to Selwyn this month. Over 30 events and activities for children will be happening in Selwyn as part of Kidsfest, which runs from 13 – 27 July during the school holidays.

"We have a great range of activities happening here which will keep kids entertained over the holidays," says Selwyn District Council's Community Recreation Advisor Ginny Bowden. "These include miniature pony riding, learn to skateboard, a kids market, a magic show and a pirate pool party at the new Selwyn Aquatic Centre."

"We have many children and young families living in Selwyn who look forward to Kidsfest fun. Events are organised by local community groups, the Council and local facilities and each year Kidsfest is becoming bigger and better with more exciting activities being offered in Selwyn," says Ginny Bowden.

The theme of the 2013 TV2Kidsfest is 'Reuse, Recycle and Renew' and magazine art sessions will be held at local libraries which will show children how to make colourful artwork from recycled magazines.

Some events are free and others are low cost. Booking is required for many events. For information on events and bookings visit www.kidsfest.co.nz, or pick up a guide from a Selwyn library.
