Next stop, Faringdon

A new stop for the Mobile Library has been announced for the Faringdon subdivision in Rolleston.

The Selwyn District Libraries service will enable the Faringdon community to have easy access to library services on their door step. The nearest library option previously has been the Rolleston Library.

The service will launch on Thursday 3 August with the first stop outside the South Point Retail Centre taking place from 11.40am–12.10pm.

“We want to support this new community and ensure that our services continue to be highly accessible throughout Selwyn,” says Mobile Library Officer Angela Grigg.

“To celebrate this debut stop we are offering a free ‘hot pick’ new release or DVD for library members.”

The Mobile Library offers a free service for all library members. Members can select new books, hot picks (normally \$2.50 each), DVDs (normally \$3 for adults and \$2 for children), magazines and audio books, as well as pick up holds from any of the Selwyn District Libraries.

Selwyn residents can join online or on the bus with ID and proof of address.

For further information or for a copy of the Mobile Library timetable, contact Angela on 021 773 400, see the Selwyn District Libraries website or ask in any Selwyn District Library.
