

Selwyn District Council takes back management of Glentunnel Holiday Park

The Selwyn District Council has cancelled the lease of the Glentunnel Holiday Park and, as a result, Glentunnel Camping Ground Limited (GCGL) no longer operates this facility.

Cancellation was undertaken in line with requirements under the Property Law Act 2007.

As the Council is still engaged in court proceedings with GCGL in relation to the lease, the Council is unable to make further comments on this decision at this stage. Council staff are currently considering options for future management of the site.

At this stage, the Council intends to honour all existing bookings and encourages anyone with an existing booking to make contact with Selwyn District Council directly as soon as possible to confirm your booking arrangements, including new payment arrangements.

Any enquiries around this change can be directed to reserves@selwyn.govt.nz.
