Executive Summary	1
Vision to be achieved	2
Background	2
Structure Plan Proposal	3
Implementation	3
<b>1.0 Introduction</b>	<b>5</b>
1.1 Background	
1.2 Purpose of the Structure Plan	
1.3 Structure Plan Area	
1.4 Structure Plan Methodology	
<b>2.0 Vision, Objectives and Development Principles</b>	<b>9</b>
2.1 Our Vision	
2.2 Key Objectives	
2.3 Development Principles	
<b>3.0 Context Analysis</b>	<b>23</b>
3.1 Regional & District Context	
3.2 Statutory & Planning Framework	
3.3 Strategies and Guidelines of Influence	
3.4 Existing Physical Context	
<b>4.0 Community Consultation</b>	<b>33</b>
4.1 Introduction	
4.2 Land Owners & Interested Parties	
4.3 Town Centre Consultation	
4.4 Draft Structure Plan Consultation	
<b>5.0 Structure Plan Overview</b>	<b>41</b>
5.1 Structure Plan Approach	
5.2 Key Aspects of the Structure Plan	
5.3 Structure Plan Staging	
<b>6.0 Centre Strategy</b>	<b>51</b>
6.1 Introduction	
6.2 Previous Public Consultation	
6.3 Hierarchy and definitions of town centre, neighbourhood centres and local centres	
6.4 Retail Assessments	
6.5 Guidelines for Location of Centres	
6.6 Developing Centre Strategy Options	
6.7 Preferred Option	
6.8 Development of the Existing Town Centre	
6.9 Town Centre Options	
6.10 Preferred Town Centre Option	
6.11 Neighbourhood Centres	
6.12 Centre Strategy Summary	
6.13 Implementation	

<b>7.0</b>	<b>Land Use Patterns &amp; Community Facilities</b>	<b>77</b>
7.1	Land Use	
7.2	Residential	
7.3	Retail (Business 1)	
7.4	Commercial & Industrial (Business 2)	
7.5	Education	
7.6	Community Facilities	
7.7	Open Space	
7.8	Land Use and Community Facilities Summary	
7.9	Implementation	
<b>8.0</b>	<b>Movement Network</b>	<b>103</b>
8.1	Introduction	
8.2	Road Hierarchy	
8.3	Key Entrances	
8.4	Main Roads (Primary) Network	
8.5	Local Roads (Secondary) Network	
8.6	Town Centre	
8.7	Cycling & Pedestrian Networks	
8.8	Public Transport	
8.9	Rail Freight	
8.10	Movement Network Summary	
8.11	Implementation	
<b>9.0</b>	<b>Infrastructure</b>	<b>121</b>
9.1	Introduction	
9.2	Water Supply

## Concept Diagrams Legend

	Rural Land		Community Facilities
	Lower Density Residential		Schools
	Medium Density Residential		Local Centre at Izone
	Higher Density Residential		Railway
	Green Corridor and Rural Buffer		State Highway
	Large Public Open Space		Existing key routes
	Centres		Metropolitan Urban Limit
	Izone Southern Business Hub
