With the intensive development of Rolleston and the speed of development and the subdivision of plots of a rural Residential nature into sections, I/we hereby apply to have the area of land outlined on the attached plan (highlighted) considered for re-zoning to Rural Residential. This land is close to Rolleston & has access to sewer, water, power & phone & sealed roads. The land is of a poor nature being stony with little soil and free draining. The land is used for winter grazing of dairy cattle on green feed & limited summer feed.
