### \*\* Submission \*\*

My/Our Submissions is: : We support the approach taken by PC32 - in that it does not seek to rezone land and simply sets up a more detailed framework to inform the assessment of private plan changes seeking a Living 3 Zone. In particular we support Objective B3.4.6 and new Policy B3.4.3(b) which provide a framework within which private plan change requests can be considered.

I/We seek the following decision from the Council for the following reasons : Retain Objective B3.4.6 and Policy B3.4.3(b) and approve the plan change as notified.
