:

** Submission **

My/Our Submissions is: : We support the approach taken by PC32 - in that it does not seek to rezone land and simply sets up a more detailed framework to inform the assessment of private plan changes seeking a Living 3 Zone. In particular we support Objective B3.4.6 and new Policy B3.4.3(b) which provide a framework within which private plan change requests can be considered.

I/We seek the following decision from the Council for the following reasons : Retain Objective B3.4.6 and Policy B3.4.6(b) and the the plan change as notified.

If you are attaching your submission separately, do so here : No file uploaded Supporting Information : No file uploaded

** Hearing Options **

Do you wish to be heard in support of your submission : Yes If others are making a similar submission would you consider presenting a joint case with them at the Hearing : Yes

** Trade Competition **

Trade Competition Declaration : I am directly affected by an effect of the subject matter of the submission that does not relate to trade competition or the effects of trade competition
