Designation Details : see below in comment

My/Our Submission is: : I would like to request a fenced in area for small dogs with rubbish bins. If the park is big enough, I would love a walking pathway around the park. And it would be extra nice to have a small sign at the beginning of the walking path to say how long the walking path is. I hope there will be several park benches scattered throughout the park. I also hope there will be a clear and safe way to walk and cross the road!

There also needs to be a safe cross walk at the Springs/Trent road intersection. A lot of children and walkers have to cross that busy intersection - and there are not any safety barriers or anything.
