4.1 Birches Road Park – Specific Feedback

Community Organisation / Stakeholder Inventory	Birches Road Would they use it & Aspirations
Waikirikiri Hockey Membership 2017 = 212 2018 = 269	NO Another half turf at Fosters to help build sense of hub, and/or ideally a full turf on one of the football fields at LU. Provision at Birches isn't as accessible and would detract from Fosters being the hockey hub, and too close to Nga Puna Wai for another full sized hockey turf
Prebbleton Football	YES <i>Would still like to maintain a presence at Prebbleton Domain, and conscious it's more accessible for juniors. Perhaps one more field is retained and better positioned to use SDC change rooms i.e. Shift rugby No.2 ground. Club unsure whether that should be junior for accessibility reasons, or senior since field is so good.</i> <ul style="list-style-type: none"> • 3 Senior & 4 Junior football fields (5 Full fields equivalent) • Multi-use artificial floodlit training area - enabling year-round use would be ideal • Training facilities • Change & Gear Sheds • Toilets • Independently managed
Selwyn United Football	YES – football provision would be great <ul style="list-style-type: none"> • Whatever is provided needs to be developed and then utilised in a co-ordinated and unified way for the benefit of more than just Prebbleton Football • Selwyn Football would use it for training and potentially competition depending on what was developed • Recommend a staged approach, to avoid over supply • Complement rather than compete with Fosters
Prebbleton Touch Module	NO – needs are met at Prebbleton Domain <i>About 1,000 participants and supporters on site each playing afternoon/evening drawing from a wide catchment well beyond Prebbleton and Lincoln.</i> <ul style="list-style-type: none"> • Football could go there, currently they clash a little with Touch summer league • Fitness trail
Prebbleton Rugby	NO – Needs are met at Prebbleton Domain , currently have 4 full rugby fields, would have 6 if football moved <ul style="list-style-type: none"> • Football • Bike Park & other youth activities • Perimeter track • Good access from Trices road
Prebbleton Cricket	MIXED response YES – for junior cricket NO – for senior cricket, needs are met at Prebbleton Domain Mixed views, currently there are no local junior cricket teams, as there is no one to organise the competition, but there is interest. <ul style="list-style-type: none"> • Football compatible • Dog Park compatible
