

**Selwyn District Plan  
PROPOSED PLAN CHANGE 12  
Integrated Transport Management**

Selwyn District Council  
*Clause 5 of the First Schedule, Resource Management Act 1991*

Proposed Plan Change 12 is a review of the transport related provisions in the District Plan. The key changes made by the plan change are:

1. Changes to the policies and objectives to recognise the importance of integrating transport management and land use, the protection of future transport networks and the provision of transport options via a variety of means (such as walking and cycling).
2. Changes to the roading standards to recognise the different functions of different roads. These will allow for more flexibility in development, such as narrower widths for lightly trafficked roads. This includes changes to vehicle accessway standards.
3. Updated intersection spaces.
4. An updated road hierarchy.
5. Changes in standards to the formation of car parks.
6. Changes in parking standards (amount of car parking).
7. Management of the use of point strips.
8. Numerous technical changes and updates to reflect current legislation.

The plan change and the assessment of why it is needed can be read at any of the Council's service centres and public libraries in Darfield, Leeston, Lincoln and Rolleston or online at [www.selwyn.govt.nz](http://www.selwyn.govt.nz).

**Submissions**

Any person or organisation may make a submission supporting or opposing any aspect of this plan change. Submissions must be written and in accordance with Form 5 of the Resource Management Regulations and is available from any Council Service Centre or on the website.

Submissions may be:

<b>Posted to:</b>	Planning Department, Selwyn District Council, PO Box 90, Rolleston 7643
<b>Delivered to:</b>	A Council service centre in Darfield, Lincoln, Leeston or Rolleston.
<b>Faxed to:</b>	(03) 347 2799 (if you fax your submission please post or deliver a copy to the details above)
