

PLAN SECTION - LIVING/ RURAL BUFFER ZONE SCALE 1:400 @A3

LIVING/ RURAL BUFFER ZONE 
5m wide landscape buffer between living and rural zone.
Existing Pinus radiata hedge to remain 4-6m high maximum.
If removed replace with deciduous medium large sized trees. Grouped,
interspersed and predominantly deciduous so as to create semi rural
parklands feel. eg:

Botanical Name	Common Name	Mature height approx.
<i>Prunus sp.</i>	Cherry Blossom	4m+
