

FORM 6

FURTHER SUBMISSION IN SUPPORT OF, OR IN OPPOSITION TO,
SUBMISSION ON PUBLICLY NOTIFIED PROPOSAL FOR POLICY
STATEMENT OR PLAN

Clause 8 of First Schedule, Resource Management Act 1991

Selwyn District Plan

To Selwyn District Council, P O Box 90, Rolleston 7643.

1. Full name of submitter: **Nicola Lee Snoyink**

This is a further submission in support of or in opposition to a submission on a proposed change to the following plan (The proposal): **Selwyn District Plan**

Private Plan Change Request - Proposed Plan Change 25

2. I **oppose** the submissions of:

John Brett, McKinnon PO Box 7027, Nelson, Submission # 134 and all others that say the same thing

James Gregg, 51 Nuffield Street, Auckland, Submission # 2019 and all others that say the same thing

Christchurch & Canterbury Tourism PO Box 2600, Christchurch Submission #2290

3. The particular parts of the submission I **OPPOSE** are: **All parts of them.**

4. The reasons for my **OPPOSITION** are:

In the case of submissions #134 and #2019, these submissions lack any substantial reasons to warrant a zone change within this Outstanding Natural Landscape area. These submissions are no more than a petition of signatures without any real thought put into what this proposal actually means for Crystal Valley and its environment. It is too easy for people to sign a form without really understanding what they are signing.

People who completed this form, have not taken this proposal seriously and have used it purely as a feedback form on customer service and expectations e.g. Connor Pullman Submission # 2176 has complained about being told to wear a leash on his snowboard – this is not the forum for this kind of comment.

In the case of the Christchurch and Canterbury Tourism submission #2290, it appears to be saying that the area has no value as it is (an Outstanding Natural Landscape) and needs development to give it value and attract visitors. I disagree with this whole heartedly and perish the thought of thousands of visitors trampling our sacred high country.

2. I **support** the submissions of:

Luke Wigram 164 Marine Parade, New Brighton Submission # 2292

Kylie Laurie 13A Bowenvale Ave, Christchurch Submission # 2118

Paul Corwin # 503 and Sally Widdowson # 504, Private Bag 55010, Christchurch

3. The particular parts of the submission I **SUPPORT** are: **All parts of the submissions.**

4. The reasons for my **SUPPORT** are:

I also live in New Zealand for the people and the land. Development such as this will ruin the land and destroy any inherent values the area has. It is totally inappropriate development.

According to the Department of Conservation, this corridor linking the Southern Alps with the Canterbury Plains has an ecological unmodified altitude sequence of national importance (letter to editor Christchurch Press September 2010). It is not right that U turn be done as soon as the first big developer comes along. DOC made a promise to protect this land permanently. SDC should too.

I seek the following decision from Selwyn District Council: **Decline this application.**

5. I **WISH** to be heard in support of my submission

6. If others make a similar submission, I will consider presenting a joint case with them at a hearing: **Yes**
