- ☒ All of the above.

Additional comments: do not spoil the local quiet culture of Porters. The gondola and new cafe and opening up Crystal Valley with new chair lifts at Porters will be excellent, but do not spoil it with commercial shops + hotel. You do not want to preclude local people enjoying Porters at the expense of rich imports from Auckland and overseas.

Additional comments: Porters really needs some chairlifts and could use more terrain, but if it will permanently negatively effect the natural habitat then I say that no measure of fun for now justifies ruining the land for the future. There is nothing responsible or respectable in that.
