Attn: Ben Rhodes, Policy and Strategy Planner

1. Full name of submitter: McMillan Drilling Ltd.

This is a submission on the following proposed Plan Change: PC 34 - Roxburgh Property Developers Limited - Southbridge

2. The specific provisions of the proposal that my submission relates to are: Noise and Reverse Sensitivity.
(give details).

3. *My submission in SUPPORT / OPPOSITION is: McMillan Drilling Ltd
has been carrying out its current business
since 1975 on this site. We do make a
certain amount of industrial noise.
We do not know whether the assessment by the
acoustic expert is a true representation of our
activities or not. This may need to be validated.
It is the task of the developer to ensure we
are not unduly penalized in the future.
Positive impacts on Southbridge are seen as
an increase in population. However, as the
biggest employer in Southbridge, any adverse
effects from the development which diminished
the McMillan operation could have a significant
negative effect on the population numbers.

4. †I seek the following decision from Selwyn District Council:

- We seek a non-objective covenant to be put on each title.
- We need assurance from the developer we will not be adversely affected in the future.

†Give precise details, including the nature of any change sought. Continue on a separate sheet if necessary.

5. I WISH / ~~DO NOT WISH~~ to be heard in support of my submission (delete as applicable)

6. If others make a similar submission, I will consider presenting a joint case with them at a hearing
(delete if you would not consider presenting a joint case) Yes
