1. Full name of submitter: Paul Keith Tarmen

This is a submission on the following proposed Plan Change:

Plan change 39 (name and number of Plan Change)

2. The specific provisions of the proposal that my submission relates to are:

Removal of rules on tree shading of roads
(give details).

3. *My submission in ~~SUPPORT~~ / OPPOSITION is:

- ① These rules are needed to emphasise the risks to public road safety caused by tree shading.
- ② These risks cause accidents and death on our roads.
- ③ I do not accept that uncertainty about the age of trees is a valid reason not to enforce the rules.
- ④ The cost of gritting roads is an increasing expense to ratepayers.
- ⑤ It is not possible to effectively mitigate the risk on large areas of roads by gritting.
- ⑥ The rules are necessary as a back-up for what should be primarily an educational approach to this problem.
- ⑦ It is remiss of the council not to have included this aspect of road safety in the work done by its Road Safety employees.

*Include whether you SUPPORT or OPPOSE specific parts of the plan change or wish to have them amended; and the reasons for your views. Continue on a separate sheet if necessary.

4. †I seek the following decision from Selwyn District Council:

Retain the rules on Tree Shading, and
encourage landowners to respect these.

†Give precise details, including the nature of any change sought. Continue on a separate sheet if necessary.

5. I WISH / ~~DO NOT WISH~~ to be heard in support of my submission (delete as applicable)
6. If others make a similar submission, I will consider presenting a joint case with them at a hearing
(delete if you would not consider presenting a joint case)
